The 13th October 1855.

THE following Bill was read a second time in the Legislative Council on the 13th October 1855, and was referred to a Select Committee who are to report thereon after the 17th of January next:—

A Bill to amend Act XII of 1851 (for securing the Land Revenue of Madras).

Preamble.

WHEREAS in the Preamble to Act XII of 1851 it is declared to be expedient that the land revenue accruing due to the East India Company within the Town of Madras should be ascertained and collected in as summary a manner as in other parts of the Territories under the Government of the East India Company, and it is enacted in Section IX of the said Act that the claim of the East India Company for land revenue or rent has priority over all claims upon the land; and whereas in other parts of the said Territories the land itself is the security for the revenue assessed thereon, and is liable to be sold for the discharge of arrears, and there is no sufficient reason for exempting lands situate within the Town of Madras from the same liability: It is enacted as follows:—

Collector empowered to sell lands for arrears of revenue or rent, if the same be not recoverable by distress.

I. If any owner of assessed land, or any person holding land subject to a rent payable to the East India Company within the limits of the Town of Madras, shall, upon the written demand of the Collector of Madras, refuse or neglect to pay any sum at which the land is assessed, or with which it is charged as rent, and if the said Collector shall not be able to levy the same by distress and sale of any goods and chattels of the owner or lessee, or of any goods and chattels found upon the land, under the provisions of Section VII of Act XII of 1851, it shall be lawful for the Collector to cause the land to be sold for the arrear of revenue or rent which has accrued due thereon.

Publication of sale.

II. One month at least previously to the sale of any land for an arrear of revenue or rent under the preceding Section, publication shall be made of the intended sale, by a notice in the English and Tamil languages, in the form hereunto annexed marked A, or to the same effect, affixed upon some conspicuous part of the premises; and by an advertisement in the English and Tamil languages to the same effect, and of the same date, in the *Government Gazette*, and in two of the principal English and Native Newspapers, which advertisement shall be published in three consecutive issues of such *Gazette* and newspapers.

Collector to sell the land by public auction, if arrear remain unpaid at the time of sale.

III. At the time and place appointed for such sale by such notice and advertisement, if the arrear be not previously paid, the Collector shall put up the land to public auction, and it shall be sold to the highest bidder.

Deposit and payment of purchase money.

IV. The person who shall be declared the purchaser at such sale shall forthwith deposit with the Collector one-half of the purchase money, or else shall forfeit his bid, and the land shall be put up to sale *de novo*; and if the purchaser shall make such deposit, but shall fail to complete the payment of the purchase-money within one week, he shall forfeit such deposit, and the land shall be put up to sale again in like manner as hereinbefore provided.

Certificate of title to be given to purchaser.

Notification.—The Hon'ble the President of the Council of India in Council is pleased to direct the publication of the following letter from the Earl of Clarendon, dated the 6th August last, conveying the opinion of Her Majesty's Government on the Reports of the Commissioners of Enquiry into the conduct of Sir James Brooke, K. C. B., Her Majesty's Commissioner and Consul General in Borneo.

CECIL BEADON,

Foreign Office,
August 6th, 1855.

To

THE RIGHT HON'BLE R VERNON SMITH,
&c. &c. &c.

SIR,

Her Majesty's Government have had under their consideration the Reports made by the Commissioners appointed by the Government of India to enquire into certain matters connected with the position of Sir James Brooke, Her Majesty's Consul General and Commissioner in Borneo, which were transmitted to this Office in Mr. Seymour's letter of April 10th, and I have to request the Court of Directors may be moved to instruct the Governor General of India to acquaint the Commissioners that Her Majesty's Government approve their proceedings, and to convey to them the thanks of Her Majesty's Government for the manner in which they have conducted this enquiry.

Her Majesty's Government learn with much satisfaction from these Reports, that as there can be no doubt of the piratical habits of the Serebas and Sakarran tribes, the charge which has been made against Sir James Brooke, of having wantonly and without cause attacked these tribes, has fallen completely to the ground. They also learn with satisfaction, that the Commissioners were of opinion that Sir James Brooke had not traded in the produce of the Territory under his control, in any manner incompatible with his duties as Consul General and Commissioner.

Her Majesty's Government consider that the Commissioners acted rightly in declining to go into the charges brought by Mr. Woods and Mr. Napier against Sir James Brooke; and with respect to the charge brought against Sir James Brooke by the Eastern Archipelago Company, of having obstructed the Company in their endeavours to procure a reduction of the Dollar-a-ton duty levied upon British vessels by the Sultan of Borneo, as Sir James Brooke himself informed the Commissioners that he had given advice to the Sultan not to accede to the wishes of the Company without a full settlement of all matters remaining unsettled between the Sultan and the Company, Her Majesty's Government concur in the opinion expressed by Mr. Devereux, "that the fact alleged being thus acknowledged, there did not appear to be *primâ facie* any matter to enquire into;" and under all the circumstances of the case, they are not disposed to question the decision come to by the Commissioners.

Her Majesty's Government agree with Mr. Dovereux, that, without an exact knowledge of the terms which have been finally agreed upon between the Sultan of Borneo and Sir James Brooke, the actual position of Sir James Brooke at Sarawak cannot be determined.

The enquiry, which has ended in the complete exculpation of Sir James Brooke from the charges made against him, has, at the same time, brought to light abundant evidence of the beneficial results of his administration of the affairs of Sarawak, which are exhibited by the establishment of confidence and the increase of Trade, and are such as to deserve the approbation of Her Majesty's Government.

As it may be presumed that the fact of the long-pending enquiry which has taken place can hardly have failed to produce amongst Native Communities an impression unfavorable to Sir James Brooke, it is desirable that, in order to remove such impression, all fit means should be taken to cause the result of the enquiry to be fully and extensively known.

I have, &c.,

ON FLOWERS AND FLOWER GARDENS.

BY D. L. RICHARDSON.

PRICE THREE RUPEES.

Published by Messrs. P. S. DeRozario & Co.

*** The book extends to 264 full sized octavo pages.

We have received a copy of Captain Richardson's Essay (or what was originally an Essay, though it is somewhat large *now*, to retain its original designation) *on Flowers and Flower-Gardens.* D. L. R. is so well known, and so justly esteemed as an author, that his name is the best recommendation of his works to public notice, and that quite as much at home as in India. He is not, as so many are who affect talent in this benighted land, a lion among asses, but a lion among lions. He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward. The subject is in itself one of the most attractive possible; and it is treated with an elegance of style, *simplex munditiis,* that enhances these natural attractions. The most acceptable gifts of Nature will hereafter be doubly acceptable as they are associated with the ennobling thoughts that this Essay connects with them. No drawing-room in India should be without this volume, and no drawing-room in England will be, should an edition of it be printed there.—*Eastern Star, September* 29, 1855.

A Bill to amend Act XII of 1851 (for securing the Land Revenue of Madras).

Preamble.

WHEREAS in the Preamble to Act XII of 1851 it is declared to be expedient that the land revenue accruing due to the East India Company within the Town of Madras should be ascertained and collected in as summary a manner as in other parts of the Territories under the Government of the East India Company, and it is enacted in Section IX of the said Act that the claim of the East India Company for land revenue or rent has priority over all claims upon the land; and whereas in other parts of the said Territories the land itself is the security for the revenue assessed thereon, and is liable to be sold for the discharge of arrears, and there is no sufficient reason for exempting lands situate within the Town of Madras from the same liability: It is enacted as follows:—

Collector empowered to sell lands for arrears of revenue or rent, if the same be not recoverable by distress.

I. If any owner of assessed land, or any person holding land subject to a rent payable to the East India Company within the limits of the Town of Madras, shall, upon the written demand of the Collector of Madras, refuse or neglect to pay any sum at which the land is assessed, or with which it is charged as rent, and if the said Collector shall not be able to levy the same by distress and sale of any goods and chattels of the owner or lessee, or of any goods and chattels found upon the land, under the provisions of Section VII of Act XII of 1851, it shall be lawful for the Collector to cause the land to be sold for the arrear of revenue or rent which has accrued due thereon.

Publication of sale.

II. One month at least previously to the sale of any land for an arrear of revenue or rent under the preceding Section, publication shall be made of the intended sale, by a notice in the English and Tamil languages, in the form hereunto annexed marked A, or to the same effect, affixed upon some conspicuous part of the premises; and by an advertisement in the English and Tamil languages to the same effect, and of the same date, in the *Government Gazette*, and in two of the principal English and Native Newspapers, which advertisement shall be published in three consecutive issues of such *Gazette* and newspapers.

Collector to sell the land by public auction, if arrear remain unpaid at the time of sale.

III. At the time and place appointed for such sale by such notice and advertisement, if the arrear be not previously paid, the Collector shall put up the land to public auction, and it shall be sold to the highest bidder.

Deposit and payment of purchase money.

IV. The person who shall be declared the purchaser at such sale shall forthwith deposit with the Collector one-half of the purchase-money, or else shall forfeit his bid, and the land shall be put up to sale *de novo*; and if the purchaser shall make such deposit, but shall fail to complete the payment of the purchase-money within one week, he shall forfeit such deposit, and the land shall be put up to sale again in like manner as hereinbefore provided.

Certificate of title to be given to purchaser

V. Immediately upon a sale becoming final and conclusive, the Collector shall give the purchaser a certificate of title to the following effect:—"I certify that A. B has purchased at public auction under Act No. that piece of *(describe as described in the notice and advertisement)* and that his purchase is to have effect from the *(enter the day of sale)*;" and the said certificate shall be deemed in any Court of Justice sufficient evidence of the title to the land sold being vested in the person named from the date specified.

Sale not to be stayed, unless the amount of the Collector's claim and of all expenses incurred is tendered.

VI. If the claim of the Collector for arrears of revenue or rent on any land advertized for sale for arrears is disputed, the sale shall not be stayed, unless the amount claimed, and also all the expenses incurred in publishing such notices as aforesaid, be lodged with or tendered to the said Collector; and if the amount claimed by the Collector as arrears of revenue or rent be tendered to him, he shall not be bound to receive the same, unless the amount of expenses incurred in respect of such notices be also tendered along therewith.

Proceeds of sale how to be applied.

VII. From and out of the proceeds of the sale of any land sold under the provisions of this Act, it shall be lawful for the Collector to deduct the arrears of revenue or rent as aforesaid, which shall or may be due and owing to the East India Company in respect of such land, and also the amount of all expenses incurred in respect of such notices as aforesaid, and to hand over the balance to the reputed owner, or, in case

of any dispute, to the Sub-Treasurer of Fort St. George, with the privity of the Accountant General; and the said Sub-Treasurer shall hold the same in deposit until some party interested in the said land shall obtain the order of a competent Court (which order it shall be lawful for such Court, if it shall see fit, to make upon the summary petition or claim of the applicant) for the payment of the same, and interest, if any, to him. All sums held in deposit as aforesaid, exceeding in amount the sum of Rupees five hundred, shall be invested in Government Securities.

Interpretation.

VIII. The words "Collector of Madras" in this Act shall mean the Officer who may at any time be charged with the superintendence and collection of the public revenue within the Town of Madras, although such Officer may not be officially designated "Collector of Madras."

ON FLOWERS AND FLOWER GARDENS.

BY D. L. RICHARDSON.

PRICE THREE RUPEES.

Published by Messrs. P. S. DeRozario & Co.

*** The book extends to 264 full sized octavo pages.

We have received a copy of Captain Richardson's Essay (or what was originally an Essay, though it is somewhat large *now*, to retain its original designation) *on Flowers and Flower-Gardens*. D. L. R. is so well known, and so justly esteemed as an author, that his name is the best recommendation of his works to public notice, and that quite as much at home as in India. He is not, as so many are who affect talent in this benighted land, a lion among asses, but a lion among lions. He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward. The subject is in itself one of the most attractive possible; and it is treated with an elegance of style, *simplex munditiis*, that enhances these natural attractions. The most acceptable gifts of Nature will hereafter be doubly acceptable as they are associated with the ennobling thoughts that this Essay connects with them. No drawing-room in India should be without this volume, and no drawing-room in England will be, should an edition of it be printed there.—*Eastern Star, September* 29, 1855.

ON FLOWERS AND FLOWER GARDENS.

BY D. L. RICHARDSON.

PRICE THREE RUPEES.

Published by Messrs. P. S. DeRozario & Co.

*** The book extends to 264 full sized octavo pages.

We have received a copy of Captain Richardson's Essay (or what was originally an Essay, though it is somewhat large *now*, to retain its original designation) *on Flowers and Flower-Gardens*. D. L. R. is so well known, and so justly esteemed as an author, that his name is the best recommendation of his works to public notice, and that quite as much at home as in India. He is not, as so many are who affect talent in this benighted land, a lion among asses, but a lion among lions. He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward. The subject is in itself one of the most attractive possible; and it is treated with an elegance of style, *simplex munditiis*, that enhances these natural attractions. The most acceptable gifts of Nature will hereafter be doubly acceptable as they are associated with the ennobling thoughts that this Essay connects with them. No drawing-room in India should be without this volume, and no drawing-room in England will be, should an edition of it be printed there.—*Eastern Star, September* 29, 1855.

ON FLOWERS AND FLOWER GARDENS.

PRICE THREE RUPEES.

*** The book extends to 264 full sized octavo pages.

We have received a copy of Captain Richardson's Essay (or what was originally an Essay, though it is somewhat large *now*, to retain its original designation) *on Flowers and Flower-Gardens.* D. L R is so well known, and so justly esteemed as an author, that his name is the best recommendation of his works to public notice, and that quite as much at home as in India. He is not, as so many are who affect talent in this benighted land, a lion among asses, but a lion among lions. He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward. The subject is in itself one of the most attractive possible; and it is treated with an elegance of style, *simplex munditiis*, that enhances these natural attractions. The most acceptable gifts of Nature will hereafter be doubly acceptable as they are associated with the ennobling thoughts that this Essay connects with them. No drawing-room in India should be without this volume, and no drawing-room in England will be, should an edition of it be printed there.—*Eastern Star, September* 29, 1855.

We have received a copy of Captain Richardson's Essay (or what was originally an Essay, though it is somewhat large *now*, to retain its original designation) *on Flowers and Flower-Gardens.* D. L. R. is so well known, and so justly esteemed as an author, that his name is the best recommendation of his works to public notice, and that quite as much at home as in India. He is not, as so many are who affect talent in this benighted land, a lion among asses, but a lion among lions. He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward. The subject is in itself one of the most attractive possible; and it is treated with an elegance of style, *simplex munditiis*, that enhances these natural attractions. The most acceptable gifts of Nature will hereafter be doubly acceptable as they are associated with the ennobling thoughts that this Essay connects with them. No drawing-room in India should be without this volume, and no drawing-room in England will be, should an edition of it be printed there.—*Eastern Star, September* 29, 1855.

*** The book extends to 284 full sized octavo pages.

We have received a copy of Captain Richardson's Essay (or what was originally an Essay, though it is somewhat large *now*, to retain its original designation) *on Flowers and Flower-Gardens.* D. L. R. is so well known, and so justly esteemed as an author, that his name is the best recommendation of his works to public notice, and that quite as much at home as in India. He is not, as so many are who affect talent in this benighted land, a lion among asses, but a lion among lions. He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward. The subject is in itself one of the most attractive possible; and it is treated with an elegance of style, *simplex munditiis,* that enhances these natural attractions. The most acceptable gifts of Nature will hereafter be doubly acceptable as they are associated with the ennobling thoughts that this Essay connects with them. No drawing-room in India should be without this volume, and no drawing-room in England will be, should an edition of it be printed there.—*Eastern Star, September* 29, 1855.

The Gratuity so awarded will be paid shortly after presentation of the Medal and placed in the Regimental Savings Bank to be there held, not under the control of the Soldier, in deposit at interest until his discharge; and shall be deemed to be his personal property, subject only to forfeiture for misconduct of which he may be convicted by a General, Garrison, or District Court Martial; and should he die before he has completed 21 years' service, or after completing such service before his discharge, such Gratuity, with its accumulated interest, shall be deemed to be a part of his effects, and be payable to his legal representative.

*** The book extends to 264 full sized octavo pages.

We have received a copy of Captain Richardson's Essay (or what was originally an Essay, though it is somewhat large *now*, to retain its original designation) *on Flowers and Flower-Gardens.* D. L. R. is so well known, and so justly esteemed as an author, that his name is the best recommendation of his works to public notice, and that quite as much at home as in India. He is not, as so many are who affect talent in this benighted land, a lion among asses, but a lion among lions. He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward. The subject is in itself one of the most attractive possible; and it is treated with an elegance of style, *simplex munditiis,* that enhances these natural attractions. The most acceptable gifts of Nature will hereafter be doubly acceptable as they are associated with the ennobling thoughts that this Essay connects with them. No drawing-room in India should be without this volume, and no drawing-room in England will be, should an edition of it be printed there.—*Eastern Star, September* 29, 1855.

G. F. EDMONSTONE,

with the Governor-General.

Fort William, the 16th November 1855.

Notification.—The Honorable the President of the Council of India in Council is pleased to direct the re-publication of the following Proclamation by the Most Noble the Governor General of India, announcing to the Army, and the people of India, the glorious news of the Capture of Sebastopol.

By order of the Hon'ble the President of the Council of India in Council,

J. W. DALRYMPLE,
Offg. Secy. to the Govt. of India.

PROCLAMATION.

The Governor General has the highest satisfaction in announcing to the Army, and the people of India, the Capture of the Town of Sebastopol, with its forts, and arsenals, and munitions of war.

When during the past year the Russian forces invaded the dominions of His Highness the Sultan, the Sovereigns of England and France, in close alliance, despatched their fleets and armies to save him from the danger by which he was threatened.

From the day when war was declared, the Russian fleets sought safety within their fortified ports; and have never dared to meet the Allied Force upon the Sea.

The defences of Bomarsund have been captured and destroyed. The great naval Arsenal of Sweaborg has been bombarded—its magazines exploded—its stores of material and its buildings burned.

The coasts of Russia have everywhere been blockaded. Her commerce has been extinguished; and her merchant navy no longer exists.

The Russian Army was speedily compelled to retire from the Turkish Provinces which it had invaded; and the Russian Territories were invaded in their turn.

Since that time the Allies have defeated the Russians in three great battles within the Crimea;—have forced them to abandon their forts along the whole Circassian shore;—and have swept and ravaged all their coasts; while at the same time they have been laying constant siege to the mighty Fortress of Sebastopol.

This great siege, without a parallel in the annals of War, has now been crowned with triumphant success.

Garrisoned by a numerous Army—stored with unbounded resources—and defended by our enemies with the utmost gallantry, determination, and skill, Sebastopol has nevertheless been compelled to yield. The Town, the dockyard, the arsenals, and forts have fallen into the hands of the Allies. Four thousand pieces of Artillery, and enormous quantities of warlike stores, have been captured in the place. Lastly, the Russian navy in the Black Sea, which consisted of more than one hundred ships-of-war, carrying upwards of two thousand guns, has been utterly demolished; and all its vessels have been burnt, sunk, or destroyed.

For the great and glorious victory which has thus been vouchsafed to their arms, the Allied Sovereigns have already offered up their sacrifice of gratitude to Almighty God.

The Governor General, desirous that their example should be followed throughout the British Dominions in the East, proposes that on the second day of December Public Thanksgiving should be offered to Almighty GOD for the signal and repeated successes which have been gained during the present war by Her Majesty's Forces, and by those of Her Allies, and especially for the Capture of the Town of Sebastopol.

The Governor General directs that this Proclamation shall be read to all the Troops, and promulgated throughout the country; and that the glorious tidings which it conveys shall be welcomed by a royal salute in every station of the Indian Army.

General Orders by the Hon'ble the President of the Council of India in Council.

Fort William, 16th November 1855.

No. 1168 *of* 1855.—The Hon'ble the President in Council is pleased to re-publish in General Orders the following Proclamation issued by order of the Hon'ble the Lieutenant-Governor of Bengal:—

PROCLAMATION.

WHEREAS certain persons of the tribe of Sontals and others, inhabitants of the Rajmahal Hills, of the Damun-i-Koh, and of certain Pergunnahs in the Districts of Bhaugulpore, Moorshedabad and Beerbhoom, and owing Allegiance to the British Government, are, and for some time past have been, in open Rebellion against the authority of the Government; and whereas soon after the first outbreak of the said Rebellion, a Proclamation was issued offering a free pardon to all who should come in and submit within a period of ten days, except ringleaders and persons convicted of murder; notwithstanding which act of clemency, the great body of the rebels have not availed themselves of the offer of mercy thus held out, but continue in Rebellion;—wherefore, it has become necessary, for the speedy and effectual suppression of this Rebellion, that advantage should be taken of the season to commence systematic Military operations against the Rebels, for which purpose it is expedient that Martial Law should be declared, and that the functions of the ordinary Criminal Courts of Judicature should be partially suspended in the said Districts:

It is hereby proclaimed and notified, that the Lieutenant-Governor of Bengal, in the exercise of the authority given to him by Regulation X. of 1804, and with the assent and concurrence of the President in Council, does hereby establish Martial Law in the following Districts, that is to say—

So much of the District of Bhaugulpore as lies on the right bank of the River Ganges.

So much of the District of Moorshedabad as lies on the right bank of the River Bhaugiruttee.

The District of Beerbhoom.

And that the said Lieutenant-Governor does also suspend the functions of the ordinary Criminal Courts of Judicature within the Districts above described with respect to all persons, Sontals and others, owing Allegiance to the British Government, in consequence of their either having been born or being residents within its Territories and under its protection, who after the date of this Proclamation, and within the Districts above described, shall be taken in Arms in open hostility to the said Government, or shall be taken in the act of opposing by force of Arms the authority of the same, or shall be taken in the actual commission of any overt act of Rebellion against the State.

And that the said Lieutenant-Governor does also hereby direct that all persons, Sontals and others, owing Allegiance to the British Government, who after the date of this Proclamation shall be taken as aforesaid, shall be tried by Court Martial; and it is hereby notified that any person convicted of any of the said crimes by the sentence of such Court will be liable, under Section 3, Regulation X. of 1804, to the immediate punishment of death.

By order of the Lieutenant-Governor of Bengal,

W. GREY,

CALCUTTA, *November* 10, 1855.

No. 1169 *of* 1855.—The Hon'ble the President of the Council of India in Council is pleased to re-publish in General Orders the following Proclamation by the Most Noble the Governor General of India, announcing the glorious news of the Capture of Sebastopol:—

Foreign Department,

Fort William, 16th November 1855.

Notification.—The Hon'ble the President of the Council of India in Council is pleased to direct the re-publication of the following Proclamation by the Most Noble the Governor General of India, announcing to the Army and the people of India the glorious news of the Capture of Sebastopol,

By order of the Hon'ble the President of the Council of India in Council

(Signed) J. W. DALRYMPLE,

Offg. Secy. to the Govt. of India.

PROCLAMATION.

THE Governor General has the highest satisfaction in announcing to the Army, and the People of India, the Capture of the Town of Sebastopol, with its forts, and arsenals, and munitions of war.

When during the past year the Russian forces invaded the dominions of His Highness the Sultan, the Sovereigns of England and France, in close alliance, despatched their fleets and armies to save him from the danger by which he was threatened.

From the day when war was declared, the Russian fleets sought safety within their fortified ports; and have never dared to meet the Allied Force upon the Sea.

The defences of Bomarsund have been captured and destroyed. The great naval Arsenal of Sweaborg has been bombarded—its magazines exploded—its stores of material and its buildings burned.

The coasts of Russia have everywhere been blockaded. Her commerce has been extinguished; and her merchant navy no longer exists.

The Russian Army was speedily compelled to retire from the Turkish Provinces which it had invaded; and the Russian Territories were invaded in their turn.

Since that time the Allies have defeated the Russians in three great battles within the Crimea;—have forced them to abandon their forts along the whole Circassian shore;—and have swept and ravaged all their coasts; while at the same time they have been laying constant siege to the mighty Fortress of Sebastopol.

This great siege, without a parallel in the annals of War, has now been crowned with triumphant success.

Garrisoned by a numerous Army—stored with unbounded resources—and defended by our enemies with the utmost gallantry, determination, and skill, Sebastopol has nevertheless been compelled to yield. The Town, the dockyard, the arsenals, and forts have fallen into the hands of the Allies. Four thousand pieces of Artillery, and enormous quantities of warlike stores, have been captured in the place. Lastly, the Russian navy in the Black Sea, which consisted of more than one hundred ships of war, carrying upwards of two thousand guns, has been utterly demolished; and all its vessels have been burnt, sunk, or destroyed.

For the great and glorious victory which has thus been vouchsafed to their arms, the Allied Sovereigns have already offered up their sacrifice of gratitude to Almighty GOD.

The Governor General, desirous that their example should be followed throughout the British dominions in the East, proposes that on the second day of December Public Thanksgiving should be offered to Almighty GOD for the signal and repeated successes which have been gained during the present war by Her Majesty's Forces, and by those of Her Allies, and especially for the Capture of the Town of Sebastopol.

The Governor General directs that this Proclamation shall be read to all the Troops, and promulgated throughout the country; and that the glorious tidings which it conveys shall be welcomed by a royal salute in every station of the Indian Army.

ON FLOWERS AND FLOWER GARDENS,

BY D. L. RICHARDSON.

PRICE THREE RUPEES.

Published by Messrs. P. S. DeRozario & Co.

*** The book extends to 264 full-sized octavo pages.

The new book by D. L. R., which we have for some time past been anxiously looking for, is published, and will no doubt be as popular as the preceding works of this justly favorite author, whose writings are even more highly esteemed in England and America than in India.—*Bengal Hurkaru, September* 28, 1855.

He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward.—*Eastern Star, September* 29, 1855.

It is a valuable contribution to our Indian Literature.—*Calcutta Christian Advocate, October* 6

A Book of Gems, well worthy the Author's high reputation.—*Central Star, October* 13.

We cannot but recommend this volume to all who admire sprightly writing and elegantly selected poetry.—*Indian Times, October* 17.

Mr. Richardson—better known to the reading public as "D. L. R."—has a wide reputation as a careful and polished writer.—*Bombay Telegraph and Courier, October* 22.

A very pleasant book which we can cordially recommend to the attention of our readers—A delightful *melange* about flowers and flower gardens, floriculture in general, and the enjoyments of rural life.—*Bombay Times, October* 27, 1855.

His last work is well worthy of a post in any library where the *quality* and not *quantity* of books is considered. —*Phœnix, November* 13, 1855.

The new book by D. L. R., which we have for some time past been anxiously looking for, is published, and will no doubt be as popular as the preceding works of this justly favorite author, whose writings are even more highly esteemed in England and America than in India.—*Bengal Hurkaru, September* 28, 1855.

He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward.—*Eastern Star, September* 29, 1855.

It is a valuable contribution to our Indian Literature.—*Calcutta Christian Advocate, October* 6

A Book of Gems, well worthy the Author's high reputation.—*Central Star, October* 13.

We cannot but recommend this volume to all who admire sprightly writing and elegantly selected poetry.—*Indian Times, October* 17.

Mr. Richardson—better known to the reading public as "D. L. R."—has a wide reputation as a careful and polished writer.—*Bombay Telegraph and Courier, October* 22.

A very pleasant book which we can cordially recommend to the attention of our readers—A delightful *melange* about flowers and flower gardens, floriculture in general, and the enjoyments of rural life.—*Bombay Times, October* 27, 1855.

His last work is well worthy of a post in any library where the *quality* and not *quantity* of books is considered.—*Phœnix, November* 13, 1855.

Sailing Directions for making the Anchorage off the Harbour of Port Louis, Mauritius, with reference to the Light-houses recently erected upon "Flat Island" and "Cannonier Point," and also the two Mast Lights near the entrance of the Harbour.

DESCRIPTION OF THE LIGHTS.

"FLAT ISLAND."

This is a *revolving* Catoptric Light of the first order, situated at the South West or highest extremity of the Island, in Latitude S. 19° 53′ 26″, and Longitude E. 57° 38′ 8″, determined by Triangulation from the Observatory of Port Louis. Variation of the Compass 11° 47′ 13″ West.

Its elevation above the mean level of the sea (the rise of tide being only about 3 feet) is 366 feet, and it will be visible in clear weather from the deck of a vessel 13 feet above the water, a distance of about 25 Nautical Miles.

"CANNONIER POINT."

This is a *fixed* Catoptric Light, also of the first order.

It is situated in Latitude S. 20° 0′ 35″ and Longitude E. 57° 22′ 39″. Its elevation above the mean level of the sea is 39 feet 6 inches, and it will be seen from the deck of a vessel 13 feet above the water, a distance of about 10 Nautical Miles.

The objects of this Light are, to indicate the position of a dangerous shoal, nearly 1¾ miles from the shore, and to keep vessels clear of the coral reefs to the North-East and South-West of the Point.

"HARBOUR MAST LIGHTS."

One of these is placed as a leading Light (Red) at the Martello Tower at the mouth, and on the left bank of the Grand River; and the other (Green) at Fort George, on Tonnelier Island.

GENERAL DIRECTIONS.

Vessels making the land from the Eastward (Windward) side of the Island should give a berth of 2½ Miles to the reefs off Amber Island and be careful not to approach the Light on Flat Island on a course to the Westward of N. W. by N. ½ N., until Gunner's Quoin bears *West*, when they may shape a mid-channel course between Gunner's Quoin and Flat Island.

When to the Westward of the Quoin the Light at Cannonier Point will become visible and must be approached with the Flat Island Light, bearing astern E. N. E. ½ N., until abreast of Cannonier Point, when that Light will bear S., E. by S. a berth of rather more than 2 Nautical Miles being thus given to the dangerous reef and shoal off the Point.—They may then haul up to S. W. by S. for the anchorage distant about 10 Nautical Miles, taking care to keep the Cannonier Point Light *white* for a distance of 6¼ Miles, when the Flat Island and Cannonier Point Lights will appear in one—the change of this color to red within that distance will indicate a too near approach to the and.

The *red* Light at the mouth of the Grand River will now be opened bearing S. S. W., for which vessels may safely steer until the Mast Light (Green) upon Fort George on Tonnelier Island bears S. E. ½ S., when they may immediately let go the anchor, being on the best ground—a nearer approach to the Light at Grand River would bring them too close to the reefs.

If the night is clear, the "Corps de Garde" Mountain will be clearly seen in line with the Grand River Light.

It is, however, generally advisable for vessels passing Cannonier Point at night, to lay to, keeping sail occasionally upon the ship, for the purpose of maintaining a good position for making the anchorage at day-break, in preference to attempting it at night. by which, in a very few instances, any time will be gained. Considerable risk, as well as the necessity for anchoring outside at all, will also be thus avoided.

ON FLOWERS AND FLOWER GARDENS,

PRICE THREE RUPEES.

Published by Messrs. P. S. DeRozario & Co.

*** The book extends to 264 full-sized octavo pages.

The new book by D. L. R., which we have for some time past been anxiously looking for, is published, and will no doubt be as popular as the preceding works of this justly favorite author, whose writings are even more highly esteemed in England and America than in India.—*Bengal Hurkaru, September* 28, 1855.

He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward.—*Eastern Star, September* 29, 1855.

It is a valuable contribution to our Indian Literature.—*Calcutta Christian Advocate, October* 6.

A Book of Gems, well worthy the Author's high reputation.—*Central Star, October* 13.

We cannot but recommend this volume to all who admire sprightly writing and elegantly selected poetry.—*Indian Times, October* 17.

Mr. Richardson—better known to the reading public as "D. L. R."—has a wide reputation as a careful and polished writer.—*Bombay Telegraph and Courier, October* 22.

A very pleasant book which we can cordially recommend to the attention of our readers—A delightful *melange* about flowers and flower gardens, floriculture in general, and the enjoyments of rural life.—*Bombay Times, October* 27, 1855.

His last work is well worthy of a post in any library where the *quality* and not *quantity* of books is considered. —*Phœnix, November* 13, 1855.

ACT No. XXXII OF 1855.

An Act relating to Embankments.

Preamble.

WHEREAS the Regulations now in force, for the maintenance of embankments in the Territories under the Government of the Lieutenant-Governor of Bengal, have been found ineffectual for the intended purposes thereof, and whereas it is desirable that provision should be made for the better supervision and protection of the same: It is enacted as follows:—

Regulations repealed.

I. Regulation VI of 1806 and Regulation XI of 1829, so far as they relate to the said Territories, are hereby repealed, except so far as they repeal the whole or part of any other Regulation, and except as to acts done, offences committed, and liabilities incurred before the passing of this Act.

What is a public embankment within this Act.

II. The word "embankment" in this Act means an embankment for the purpose of excluding or retaining water; and every embankment, which is now kept up, or may hereafter be kept up, by the officers of Government, at the expense either of Government or of any private person, is a public embankment within the meaning hereof.

III. The superintendence of the public embankments shall be entrusted, subject to the general orders of Government, to an Officer who shall be called the Superintendent of Embankments.

Who to have superintendence of public embankments.

IV. *Clause* 1.—The Superintendent of Embankments may cause any embankment which connects public embankments, or forms by junction with them part of a line of embankments, or is necessary for the protection of the neighbouring country, to be taken charge of and kept up by the officers of Government.

Superintendent may take charge of any embankment which connects public embankments, &c.

Clause 2.—He may also cause any private embankment, which endangers the stability of a public embankment, or obstructs the beneficial drainage of the country, to be removed.

And remove private embankment endangering a public embankment.

Clause 3.—He may also when necessary, change the line of any public embankment, or make a new embankment.

And change the line of any public embankment or make a new embankment.

Clause 4.—He may also enlarge any public embankment, and do all acts necessary and proper for the maintenance thereof.

And enlarge embankment, &c.

V. *Clause* 1.—Before the Superintendent shall cause any of the works mentioned in the first three Clauses of the next preceding Section to be executed, he shall give notice in writing to the Collector of the district of his intention so to do. Upon the receipt of such notice, the Collector shall cause a proclamation to be issued, incorporating the substance of the notice, and calling upon all persons interested, who may be desirous of showing cause against the execution of such works, to appear before him on a certain day to be named therein.

Before taking charge of private embankments, &c. Superintendent to give notice to Collector, who shall issue a proclamation.

Clause 2.—The proclamation shall be published by affixing the same in the Cutcherry of the Collector, the Mal Cutcherry (if any) of the estate on which the works are intended to be executed, and on some conspicuous spot in the neighbourhood thereof. Clause 3.—The Collector shall hear the objections of any parties who may appear, and, after recording any evidence which they may adduce, shall communicate the objections that may be made, together with his opinion thereon, to the Superintendent of Embankments. If the Superintendent agree in opinion with the Collector, he shall pass an order accordingly. If he differ from the Collector, the case shall be referred to the Commissioner of Revenue, who shall pass such orders thereon as he may deem fit.

Procedure on appearance of parties.

Clause 4.—Every such order passed by the Superintendent shall be appealable to the Commissioner of Revenue, and every order of the Commissioner shall be appealable to the Board of Revenue; but no appeal shall lie against any order passed under this Section, unless the same be presented within one month from the date of the order.

Appeal from orders of Superintendent and Commissioner of Revenue.

Clause 5.—Subject to the right of appeal above-mentioned, and to the orders and control of Government, every order passed under this Section shall be final, and shall not be open to revision by any Civil Court, and shall be conclusive as to the necessity of any works ordered to be executed.

Orders not open to revision by the Civil Court.

VI. Whenever the Superintendent of Embankments shall hereafter cause an embankment, which any person is bound to keep up, to be taken charge of by the officers of Government, the expense of keeping up such embankment shall be charged to such person. Provided that the amount so charged shall not exceed the reasonable expense of keeping up an embankment of the size and description which such person was bound to keep up, notwithstanding the embankment shall have been enlarged or improved by the officers of Government.

VII. *Clause* 1.—When the Superintendent of Embankments shall enlarge or change the line of any embankment, or make a new embankment, or cause an embankment to be removed, any person sustaining damages thereby, who, but for the passing of this Act, would be entitled to compensation, may prefer his claim for such compensation to the Collector of the District, at any time within twelve months after the execution of the work by which he is endamaged, and the Collector thereupon shall report the case for the orders of the superior Revenue authorities. If the claim be rejected, the claimant shall not be deprived, by reason of this Act, of any right which he might otherwise have had, to recover such compensation by a civil action; but such action shall not lie, unless the claimant shall have first preferred his claim to the Collector within the period above mentioned, nor unless the suit be brought within a period of one year after notice to the claimant of its rejection. If the claim for compensation be admitted by the Revenue authorities, and the amount of compensation cannot be agreed upon, the same shall be settled by arbitration, in the manner hereinafter provided, and in no other manner, unless by the consent of the claimant and of the superior Revenue authorities.

Compensation for damages sustained under this Act.

Clause 2.—Unless the Collector and the claimant concur in the appointment of a single arbitrator, the Collector on the part of Government, and the claimant, shall each appoint an arbitrator. The appointment shall be in writing, and neither of the said parties shall have power to revoke the same without the consent of the other.

Appointment of arbitrators.

Clause 3.—If there be several claimants for compensation in respect to the same injury, and they cannot agree in the appointment of an arbitrator on their behalf, in that case each of them may nominate one person; and the Collector shall choose by lot out of the persons so nominated by the parties, or any of them, a person to act as arbitrator on behalf of the claimants. If only one person shall be so no-

minated, he shall be the arbitrator on behalf of the claimants.

Appointment of a third arbitrator.

Clause 4.—When more than a single arbitrator shall be appointed, the arbitrators shall, before they enter upon the matters referred to them, nominate and appoint by writing a third person to act with them as arbitrator; and in case the arbitrators shall neglect to appoint such third arbitrator for a period of seven days after having been required so to do, the Collector may appoint such third arbitrator. If the arbitrators differ in opinion, or if one of them, having received due notice of a meeting of arbitrators, neglect to attend, any two arbitrators may make an award.

Arbitrator refusing or becoming incapable to act, &c.

Clause 5.—If any person, on being appointed an arbitrator, shall refuse to act, or, after accepting the appointment, shall die or become incapable of acting, another person shall be appointed in his stead, in the same manner in which the first person was appointed.

Collector empowered to enforce attendance of arbitrators.

Clause 6.—After the arbitrators have accepted the appointment, the Collector shall be competent to exercise towards them such powers and authority, for securing their attendance and the due completion of their award, as the said Collector may legally exercise towards witnesses summoned before him, when acting judicially for the purposes of compelling them to attend and give evidence.

In default of award within a specified period, fresh arbitrators may be chosen.

Clause 7.—If no award be made within a period to be fixed for that purpose by the Collector, he may order that the matter shall be referred to another arbitrator or other arbitrators, to be chosen in the same manner and subject to the same rules as the first.

Clause 8.—The Collector shall furnish to the arbitrators, or, so far as may be in his power, procure for them, any information which his records or those of any public department may afford connected with the subject of enquiry. He shall, on the application of the arbitrators, summon any witnesses whom the arbitrators may call for, and whom the parties may not be able to produce before them without such process, and require the persons so summoned to bring and produce before them all such books, papers, deeds, writings, maps, and plans, as they shall require. He shall also cause the proper affirmation to be made and signed by any witness whom the arbitrators may desire to examine upon affirmation, or he may empower the arbitrators to cause such affirmation to be made and signed before them. Any witness who shall refuse or omit to appear when duly summoned by the Collector, or who shall appear but shall refuse to make such affirmation, or who shall refuse to give evidence, shall be liable to the same punishment which would be incurred under the law by a witness refusing to appear or give evidence before the Collector when acting judicially. Any person giving intentionally and deliberately a false deposition, under an affirmation, in any case referred to arbitration as above, shall be held to be guilty of perjury, and shall be liable to the penalties prescribed for that offence by law.

Award of the arbitrators.

Clause 9.—On the close of the enquiry, the arbitrators shall deliver a full and complete award, which shall specify the amount of compensation and the party or parties entitled thereto. The proceedings of the arbitration shall be deposited in the Collector's Office, and every party interested therein shall be entitled to a copy of the award on plain paper under the seal and signature of the Collector, which copy shall be *primâ facie* evidence thereof.

Payment of compensation may in certain cases be deferred.

Clause 10.—If the right to the compensation awarded shall in any case be doubtful, or if there exist any ground which, in the judgment of the arbitrators or of the Collector, render it improper to make immediate payment thereof to any of the claimants, the amount shall be invested in Government securities, and held in deposit until one of the claimants shall obtain an order of Court for the payment thereof.

Reversal or alteration of award.

Clause 11.—No award passed under this Section shall be liable to be reversed or altered, except by the decision of a Civil Court on the ground of corruption or misconduct of the arbitrators; and no suit to set aside such an award shall be entertained unless it be instituted within three months from the date of the award. In case the award shall be so reversed, the matter shall be referred to another arbitrator or other arbitrators, to be appointed in the same manner as the first.

Suits and proceedings against Government, except suits for reversal of awards, to be dismissed with costs.

Clause 12.—All suits and proceedings instituted against Government in any case in which compensation has been awarded, except suits instituted for the reversal of awards as aforesaid, shall be dismissed with costs. But nothing herein contained shall affect the right of any party to recover the amount awarded from any person who may have received the same without any just title thereto.

Proviso.

Estimated value of benefit to be set off against the compensation to be awarded.

Clause 13.—In fixing the amount of compensation to which any person may be entitled by reason of any of the acts mentioned in Clause 1 of this Section, the Court or arbitrators, as the case may be, shall take into consideration whether any party to the suit or arbitration has derived, or will derive, benefit from the act in respect of which the compensation is claimed, and shall set off the estimated value of such benefit, if any, against the compensation which would otherwise be decreed or awarded to that party.

The provisions of this Section not to apply to cases of compensation in respect to huts, trees, or crops.

Clause 14.—The provisions of this Section shall not be held applicable to cases in which the compensation to be made has reference only to huts, trees, or crops, which it may be necessary to remove or destroy in enlarging or changing the line of a public embankment. In all such cases the Officer in charge of the public embankments of the district shall report to the Collector, and the Collector shall thereupon proceed to value and make compensation for such huts, trees, and crops, in the manner prescribed in Section XII of this Act.

Clause 2.—The Collector shall transmit such application to the Officer in charge of the embankments of the district, who shall report his opinion thereon to the Superintendent of Embankments, and, if he be of opinion that compliance with the application is unobjectionable, shall annex to his report a plan of the proposed work and an estimate of the expense of its construction. The Superintendent of Embankments shall pass such order thereon as he shall think fit, which order shall be final.

Officer in immediate charge of embankments to report on the proposed work.

Clause 3.—If the construction of the proposed sluice receive the approval of the Superintendent of Embankments, the Collector shall require the applicant to enter into a written agreement to defray the whole or half of the expense, or such portion thereof as may be determined under the provisions of Clause 1 of this Section, as the case may be; and upon such agreement being executed, shall issue a certificate to the Officer in charge of the public embankments of the district, to construct the sluice.

Upon the applicant engaging to defray the cost, Collector may issue certificate.

If the Superintendent concur with the Collector, he shall pass orders accordingly; if he differ, the case shall be reported to the Commissioner, whose decision shall be final. Preamble.

be consolidated and amended: It is enacted as follows:—

Regulations and Acts repealed.

I. Section XVI Regulation VIII. 1819, Regulation I. 1820, Act No. VIII of 1835, and Section X Act No. VI of 1853, are hereby repealed, except in so far as they repeal any part of any other Regulation or Act.

Under-Tenures may be sold at any period of the year.

All sales of Under-Tenures to be made according to this Act.

III. All sales of Under-Tenures in satisfaction of summary decrees for arrears of rent due thereon, for the recovery of arrears of rent in mehals under the immediate management of the Officers of Government, and for the recovery of arrears of revenue, or of other demands recoverable as arrears of revenue, shall be made under the provisions of this Act.

By what Officers sales may be held.

IV. Sales under this Act may be held by any Collector, Deputy Collector, or other Officer legally exercising the powers of a Collector, or by any Assistant to a Collector vested with special powers under Section XXI Regulation VIII of 1831. The provisions of Sections I, II, III, and IV of Act No. VI of 1853 shall be applicable to all sales made under this Act.

Boards of Revenue may fix dates for sales.

V. The Boards of Revenue, with the sanction of the Local Governments, may fix for each district certain dates, not being fewer than one in each quarter of the official year, upon which Under-Tenures shall be brought to sale for the demands specified in Section III of this Act. When dates of sale are so fixed, the said Boards shall give notice of the same by advertisement in the Official Gazettes, and shall direct corresponding publication to be made, as regards each district, in the language of that district in the office of the Collector, Deputy Collector, or other Officer authorized to hold sales under this Act, and in the Courts of the Judge, Magistrate, Principal Sudder Ameen, Sudder Ameens, and Moonsiffs; and the dates so fixed shall not be changed except by the said Boards by advertisement and notifications in the manner above described.

Previously to the sale of any Under-Tenure under this Act, a notification, specifying the name of the proprietor, the name and description of the tenure, the amount of the demand, and the day of sale, shall be affixed for a period of not less than fifteen clear days in the Zillah Court, or highest Civil Court of the District or Division in which the Collector, or other Officer authorized to hold sales under this Act, has jurisdiction, and in the office of the Collector or other Officer as aforesaid, and also at the residence of the tenant, or at some conspicuous place upon the Tenure; the manner of the publication of such notification to be certified by the peon or other person employed for the purpose.

Mode of conducting sale.

VII. The sale shall be held in public Cutcherry on the day specified in the notice, or on any subsequent day to which the Collector, or other Officer as aforesaid, may adjourn the sale, unless the sum due be then or previously paid, or the party, for whose benefit the sale is to be made, desire that it be not proceeded with. The Tenure shall be sold to the highest bidder, and the person who shall be declared the purchaser, shall be required to deposit immediately, or as soon after the conclusion of the sale as the Collector or other Officer as aforesaid may think necessary, fifteen per centum of the purchase-money in cash, Bank of Bengal notes, or Government Securities; and in default of such deposit, the Tenure shall forthwith be put up again and sold. The remainder of the purchase-money shall be paid before noon of the eighth day from the day of sale, or if the eighth day be a Sunday or other close holiday, of the first office day after the eighth; and in default of payment within the prescribed period, then, and afterwards, as often as such default shall occur, the deposit shall be forfeited to Government, and the Tenure shall be re-sold; and in the event of the proceeds of the sale, which may eventually be consummated, being less than the price bid by the defaulting bidder aforesaid, the difference shall be leviable from him by any process authorized for realizing an arrear of public revenue, and it shall be so levied and credited to the proprietor of the tenure sold; and if default of payment of purchase-money shall have occurred more than once, the defaulting bidders shall be held jointly and severally responsible for such difference to the extent of the amount of their respective bids. Provisions for appeal.

VIII. Against every sale made under this Act an appeal shall lie to the Commissioner of Revenue; provided that, if the sale shall have been made in satisfaction of a summary decree for rent, an appeal shall be admitted only on the ground that the Tenure was not of a description liable to sale, or of some substantial defect in the proceedings. If the sale shall have been made for the recovery of any Government demand, there shall be no restriction of the grounds of appeal; and the Commissioner may pass such orders thereupon as he shall deem just and proper. But no

appeal against a sale under this Act shall be received, unless it be presented to the Collector or other Officer as aforesaid, for transmission to the Commissioner, within eight days from the day of sale.

Certificate of title.

IX. When the whole of the purchase-money has been paid in, the purchaser, on the eighth day after the sale, shall receive from the Collector or other Officer as aforesaid, a certificate of title, such title bearing date from the day of sale, unless an appeal against the sale have been preferred, in which case the certificate shall be withheld until the orders of the Commissioner on the appeal shall have been received. Any balance of purchase-money that may remain after satisfying the demand for which the sale was made, shall be paid to the late proprietor of the Tenure, or, if there be more than one, to the late proprietors on their joint receipt.

Certified purchaser not to be ousted on plea of *benamee* purchase.

X. Any suit brought to oust the certified purchaser of an Under-Tenure, on the ground that the purchase was made on behalf of another person, not the certified purchaser, though by agreement the name of the certified purchaser was used, shall be dismissed with costs.

Period within which suit may be brought to set aside sale.

XI. After the expiration of one year from the passing of this Act, no suit shall be entertained to set aside or reverse the sale of an Under-Tenure made before the passing of this Act under the provisions of Regulation VIII. 1819, as modified by Section XVI Regulation VII. 1832, or of any Regulation or Act mentioned in Section I of this Act. And no suit shall be entertained to set aside or reverse any sale made after the passing of this Act under the provisions of Regulation VIII. 1819 modified as aforesaid, or of this Act, unless the suit shall be instituted within the period of one year from the date of such sale.

Preamble

WHEREAS by the custom of Merchants a Bill of Lading of goods being transferable by endorsement, the property in the goods may thereby pass to the endorsee, but nevertheless all rights in respect of the contract contained in the Bill of Lading continue in the original shipper or owner, and it is expedient that such rights should pass with the property; and whereas it frequently happens that the goods in respect of which Bills of Lading purport to be signed have not been laden on board, and it is proper that such Bills of Lading in the hands of a *bonâ fide* holder for value should not be questioned by the Master or other person signing the same, on the ground of the goods not having been laden as aforesaid: It is enacted as follows :—

Rights under Bills of Lading to vest in consignee or endorsee.

I. Every consignee of goods named in a Bill of Lading, and every endorsee of a Bill of Lading to whom the property in the goods therein mentioned shall pass, upon or by reason of such consignment or endorsement, shall have transferred to and vested in him all rights of suit, and be subject to the same liabilities in respect of such goods as if the contract contained in the Bill of Lading had been made with himself.

Not to affect right of stoppage *in transitu* or claims for freight.

II. Nothing herein contained shall prejudice or affect any right of stoppage *in transitu*, or any right to claim freight against the original shipper or owner, or any liability of the consignee or endorsee, by reason or in consequence of his being such consignee or endorsee, or of his receipt of the goods by reason or in consequence of such consignment or endorsement.

ON FLOWERS AND FLOWER GARDENS,

BY D. L. RICHARDSON.

PRICE THREE RUPEES.

Published by Messrs. P. S. DeRozario & Co.

*** The book extends to 264 full-sized octavo pages.

The new book by D. L. R., which we have for some time past been anxiously looking for, is published, and will no doubt be as popular as the preceding works of this justly favorite author, whose writings are even more highly esteemed in England and America than in India.—*Bengal Hurkaru, September* 28, 1855.

He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward.—*Eastern Star, September* 29, 1855.

It is a valuable contribution to our Indian Literature.—*Calcutta Christian Advocate, October* 6.

A Book of Gems, well worthy the Author's high reputation.—*Central Star, October* 13.

We cannot but recommend this volume to all who admire sprightly writing and elegantly selected poetry.—*Indian Times, October* 17.

Mr. Richardson—better known to the reading public as "D. L. R."—has a wide reputation as a careful and polished writer.—*Bombay Telegraph and Courier, October* 22.

A very pleasant book which we can cordially recommend to the attention of our readers—A delightful *melange* about flowers and flower gardens, floriculture in general, and the enjoyments of rural life.—*Bombay Times, October* 27, 1855.

His last work is well worthy of a post in any library where the *quality* and not *quantity* of books is considered. —*Phœnix, November* 13, 1855.

If the claim be rejected, the claimant shall not be deprived, by reason of this Act, of any right which he might otherwise have had, to recover such compensation by a civil action; but such action shall not lie, unless the claimant shall have first preferred his claim to the Collector within the period above mentioned, nor unless the suit be brought within a period of one year after notice to the claimant of its rejection. Clause 6.—After the arbitrators have accepted the appointment, the Collector shall be competent to exercise towards them such powers and authority, for securing their attendance and the due completion of their award, as the said Collector may legally exercise towards witnesses summoned before him, when acting judicially for the purposes of compelling them to attend and give evidence.

In default of award within a specified period, fresh arbitrators may be chosen.

Clause 7.—If no award be made within a period to be fixed for that purpose by the Collector, he may order that the matter shall be referred to another arbitrator or other arbitrators, to be chosen in the same manner and subject to the same rules as the first.

He shall also cause the proper affirmation to be made and signed by any witness whom the arbitrators may desire to examine upon affirmation, or he may empower the arbitrators to cause such affirmation to be made and signed before them. Any witness who shall refuse or omit to appear when duly summoned by the Collector, or who shall appear but shall refuse to make such affirmation, or who shall refuse to give evidence, shall be liable to the same punishment which would be incurred under the law by a witness refusing to appear or give evidence before the Collector when acting judicially. Any person giving intentionally and deliberately a false deposition, under an affirmation, in any case referred to arbitration as above, shall be held to be guilty of perjury, and shall be liable to the penalties prescribed for that offence by law.

Award of the arbitrators.

Clause 9.—On the close of the enquiry, the arbitrators shall deliver a full and complete award, which shall specify the amount of compensation and the party or parties entitled thereto. The proceedings of the arbitration shall be deposited in the Collector's Office, and every party interested therein shall be entitled to a copy of the award on plain paper under the seal and signature of the Collector, which copy shall be *primâ facie* evidence thereof.

Clause 11.—No award passed under this Section shall be liable to be reversed or altered, except by the decision of a Civil Court on the ground of corruption or misconduct of the arbitrators; and no suit to set aside such an award shall be entertained unless it be instituted within three months from the date of the award. In case the award shall be so reversed, the matter shall be referred to another arbitrator or other arbitrators, to be appointed in the same manner as the first.

Suits and proceedings against Government, except suits for reversal of awards, to be dismissed with costs.

Clause 12.—All suits and proceedings instituted against Government in any case in which compensation has been awarded, except suits instituted for the reversal of awards as aforesaid, shall be dismissed with costs. WHEREAS, under the Laws in force in the Presidency of Fort William in Bengal, transferable Under-Tenures can be brought to sale, in satisfaction of summary decrees for arrears of rent, only at the end of the year, and it is expedient that this restriction should be abolished; and whereas it is also expedient that the Laws relative to the public sale of Under-Tenures in satisfaction of summary decrees for arrears of rent, for the recovery of arrears of rent in mehals under the immediate management of the Officers of Government, and for the recovery of arrears of revenue or other demands recoverable as arrears of revenue, should be consolidated and amended: It is enacted as follows:—

Preamble.

I. Section XVI Regulation VIII. 1819, Regulation I. 1820, Act No. VIII of 1835, and Section X Act No. VI of 1853, are hereby repealed, except in so far as they repeal any part of any other Regulation or Act.

Regulations and Acts repealed.

II. Under-Tenures which, by the title deeds or custom of the country, are transferable by sale or otherwise, may be brought to sale in satisfaction of summary decrees for arrears of rent due thereon, and for the recovery of rent in mehals under the immediate management of the Officers of Government, at any period of the year, and not only at its close, any thing contained in Regulation VII. 1799 and Regulation XXVIII. 1803 notwithstanding; and no sale of an Under-Tenure, which may have been made previously to the passing of this Act, shall be set aside or reversed on the ground of its having been made before the close of the year, for an arrear of rent falling due within the year in which the sale was made.

Under-Tenures may be sold at any period of the year.

III. All sales of Under-Tenures in satisfaction of summary decrees for arrears of rent due thereon, for the recovery of arrears of rent in mehals under the immediate management of the Officers of Government, and for the recovery of arrears of revenue, or of other demands recoverable as arrears of revenue, shall be made under the provisions of this Act.

All sales of Under-Tenures to be made according to this Act.

IV. Sales under this Act may be held by any Collector, Deputy Collector, or other Officer legally exercising the powers of a Collector, or by any Assistant to a Collector vested with special powers under Section XXI Regulation VIII of 1831. The provisions of Sections I, II, III, and IV of Act No. VI of 1853 shall be applicable to all sales made under this Act.

By what Officers sales may be held.

V. The Boards of Revenue, with the sanction of the Local Governments, may fix for each district certain dates, not being fewer than one in each quarter of the official year, upon which Under-Tenures shall be brought to sale for the demands specified in Section III of this Act. When dates of sale are so fixed, the said Boards shall give notice of the same by advertisement in the Official Gazettes, and shall direct corresponding publication to be made, as regards each district, in the language of that district in the office of the Collector, Deputy Collector, or other Officer authorized to hold sales under this Act, and in the Courts of the Judge, Magistrate, Principal Sudder Ameen, Sudder Ameens, and Moonsiffs; and the dates so fixed shall not be changed except by the said Boards by advertisement and notifications in the manner above described.

Boards of Revenue may fix dates for sales.

Proviso. Provided that, if no dates are so fixed by the said Boards, sales may be made upon any dates for which notifications shall have been duly issued in the manner hereinafter prescribed.

VI. Previously to the sale of any Under-Tenure under this Act, a notification, specifying the name of the proprietor, the name and description of the tenure, the amount of the demand, and the day of sale, shall be affixed for a period of not less than fifteen clear days in the Zillah Court, or highest Civil Court of the District or Division in which the Collector, or other Officer authorized to hold sales under this Act, has jurisdiction, and in the office of the Collector or other Officer as aforesaid, and also at the residence of the tenant, or at some conspicuous place upon the Tenure; the manner of the publication of such notification to be certified by the peon or other person employed for the purpose.

Notification of sale.

VII. The sale shall be held in public Cutcherry on the day specified in the notice, or on any subsequent day to which the Collector, or other Officer as aforesaid, may adjourn the sale, unless the sum due be then or previously paid, or the party, for whose benefit the sale is to be made desire that it be not proceeded with. The Tenure

Mode of conducting sale.

shall be sold to the highest bidder, and the person who shall be declared the purchaser, shall be required to deposit immediately, or as soon after the conclusion of the sale as the Collector or other Officer as aforesaid may think necessary, fifteen per centum of the purchase-money in cash, Bank of Bengal notes, or Government Securities; and in default of such deposit, the Tenure shall forthwith be put up again and sold. The remainder of the purchase-money shall be paid before noon of the eighth day from the day of sale, or if the eighth day be a Sunday or other close holiday, of the first office day after the eighth; and in default of payment within the prescribed period, then, and afterwards, as often as such default shall occur, the deposit shall be forfeited to Government, and the Tenure shall be re-sold; and in the event of the proceeds of the sale, which may eventually be consummated, being less than the price bid by the defaulting bidder aforesaid, the difference shall be leviable from him by any process authorized for realizing an arrear of public revenue, and it shall be so levied and credited to the proprietor of the tenure sold; and if default of payment of purchase-money shall have occurred more than once, the defaulting bidders shall be held jointly and severally responsible for such difference to the extent of the amount of their respective bids. When default is made in the payment of purchase-money, notice of the intended re-sale shall be immediately affixed in the Zillah Court or highest Civil Court of the District or Division as aforesaid, and the office of the Collector or other Officer as aforesaid; and unless the sum due be paid intermediately by the proprietor of the Tenure, such re-sale shall be made on the office day next following the occurrence of such default, or on any subsequent day to which the Collector or other Officer as aforesaid may adjourn the re-sale.

Provisions for appeal.

VIII. Against every sale made under this Act an appeal shall lie to the Commissioner of Revenue; provided that, if the sale shall have been made in satisfaction of a summary decree for rent, an appeal shall be admitted only on the ground that the Tenure was not of a description liable to sale, or of some substantial defect in the proceedings. If the sale shall have been made for the recovery of any Government demand, there shall be no restriction of the grounds of appeal; and the Commissioner may pass such orders thereupon as he shall deem just and proper. But no appeal against a sale under this Act shall be received, unless it be presented to the Collector or other Officer as aforesaid, for transmission to the Commissioner, within eight days from the day of sale.

Certificate of title.

IX. When the whole of the purchase-money has been paid in, the purchaser, on the eighth day after the sale, shall receive from the Collector or other Officer as aforesaid, a certificate of title, such title bearing date from the day of sale, unless an appeal against the sale have been preferred, in which case the certificate shall be withheld until the orders of the Commissioner on the appeal shall have been received. Any balance of purchase-money that may remain after satisfying the demand for which the sale was made, shall be paid to the late proprietor of the Tenure, or, if there be more than one, to the late proprietors on their joint receipt.

Certified purchaser not to be ousted on plea of *benamee* purchase.

X. Any suit brought to oust the certified purchaser of an Under-Tenure, on the ground that the purchase was made on behalf of another person, not the certified purchaser, though by agreement the name of the certified purchaser was used, shall be dismissed with costs.

Period within which suit may be brought to set aside sale.

XI. After the expiration of one year from the passing of this Act, no suit shall be entertained to set aside or reverse the sale of an Under-Tenure made before the passing of this Act under the provisions of Regulation VIII. 1819, as modified by Section XVI Regulation VII. 1832, or of any Regulation or Act mentioned in Section I of this Act. And no suit shall be entertained to set aside or reverse any sale made after the passing of this Act under the provisions of Regulation VIII. 1819 modified as aforesaid, or of this Act, unless the suit shall be instituted within the period of one year from the date of such sale.

The 1st December 1855.

THE following Bill was read a second time in the Legislative Council on the 1st December 1855, and was referred to a Select Committee who are to report thereon after the 5th of March next:—

A Bill to amend the Law relating to Bills of Lading.

Preamble.

WHEREAS by the custom of Merchants a Bill of Lading of goods being transferable by endorsement, the property in the goods may thereby pass to the endorsee, but nevertheless all rights in respect of the contract contained in the Bill of Lading continue in the original shipper or owner, and it is expedient that such rights should pass with the property; and whereas it frequently happens that the goods in respect of which Bills of Lading purport to be signed have not been laden on board, and it is proper that such Bills of Lading in the hands of a *bonâ fide* holder for value should not be questioned by the Master or other person signing the same, on the ground of the goods not having been laden as aforesaid: It is enacted as follows:—

Rights under Bills of Lading to vest in consignee or endorsee.

I. Every consignee of goods named in a Bill of Lading, and every endorsee of a Bill of Lading to whom the property in the goods therein mentioned shall pass, upon or by reason of such consignment or endorsement, shall have transferred to and vested in him all rights of suit, and be subject to the same liabilities in respect of such goods as if the contract contained in the Bill of Lading had been made with himself.

Not to affect right of stoppage *in transitu* or claims for freight.

II. Nothing herein contained shall prejudice or affect any right of stoppage *in transitu*, or any right to claim freight against the original shipper or owner, or any liability of the con-

signee or endorsee, by reason or in consequence of his being such consignee or endorsee, or of his receipt of the goods by reason or in consequence of such consignment or endorsement.

Bill of Lading in hands of consignee, &c. conclusive evidence of the shipment as against Master, &c.

III. Every Bill of Lading in the hands of a consignee or endorsee for valuable consideration, representing goods to have been shipped on board a vessel, shall be conclusive evidence of such shipment as against the Master or other person signing the same, notwithstanding that such goods or some part thereof may not have been so shipped, unless such holder of the Bill of Lading shall have had actual notice at the time of receiving the same that the goods had not in fact been laden on board.

Proviso.

Provided that the Master or other person so signing may exonerate himself in respect of such misrepresentation by showing that it was caused without any default on his part, and wholly by the fraud of the shipper, or of the holder, or some person under whom the holder claims.

Lights on Flat Island and on the Coast of Mauritius.

LIGHT-HOUSES.

His Excellency the Governor directs it to be notified for general information, that the following Lights will be exhibited on Flat Island and on the Coast of Mauritius, on and from the 1st December next, *viz.* :—

A first class *revolving* Catoptric Light on Flat Island.

A first class *fixed* Catoptric Light on Cannonier Point.

A *red* Mast Light on the left bank, and at the mouth of Grand River.

A *green* Mast Light on Cooper's Island, at the mouth of the Harbour.

Detailed descriptions of, and sailing directions for these Lights are published below for general information.

J. DOWLAND,
Acting Colonial Secretary.

Colonial Secretary's Office,
7th September 1855.

Sailing Directions for making the Anchorage off the Harbour of Port Louis, Mauritius, with reference to the Light-houses recently erected upon "Flat Island" and "Cannonier Point," and also the two Mast Lights near the entrance of the Harbour.

DESCRIPTION OF THE LIGHTS.

"Flat Island."

This is a *revolving* Catoptric Light of the first order, situated at the South West or highest extremity of the Island, in Latitude S. 19° 53′ 26″, and Longitude E 57° 38′ 8″, determined by Triangulation from the Observatory of Port Louis. Variation of the Compass 11° 47′ 13″ West.

Its elevation above the mean level of the sea (the rise of tide being only about 3 feet) is 366 feet, and it will be visible in clear weather from the deck of a vessel 13 feet above the water, a distance of about 25 Nautical Miles.

"Cannonier Point."

This is a *fixed* Catoptric Light, also of the first order.

It is situated in Latitude S. 20° 0′ 35″ and Longitude E. 57° 22′ 39″. Its elevation above the mean level of the sea is 39 feet 6 inches, and it will be seen from the deck of a vessel 13 feet above the water, a distance of about 10 Nautical Miles.

The objects of this Light are, to indicate the position of a dangerous shoal, nearly 1½ miles from the shore, and to keep vessels clear of the coral reefs to the North-East and South-West of the Point.

"Harbour Mast Lights."

One of these is placed as a leading Light (Red) at the Martello Tower at the mouth, and on the left bank of the Grand River; and the other (Green) at Fort George, on Tonnelier Island.

GENERAL DIRECTIONS.

Vessels making the land from the Eastward (Windward) side of the Island should give a berth of 2½ Miles to the reefs off Amber Island and be careful not to approach the Light on Flat Island on a course to the Westward of N. W. by N. ½ N., until Gunner's Quoin bears *West*, when they may shape a mid-channel course between Gunner's Quoin and Flat Island.

When to the Westward of the Quoin the Light at Cannonier Point will become visible and must be approached with the Flat Island Light, bearing astern E. N. E. ½ N, until abreast of Cannonier Point, when that Light will bear S., E. by S. a berth of rather more than 2 Nautical Miles being thus given to the dangerous reef and shoal off the Point.—They may then haul up to S. W. by S. for the anchorage distant about 10 Nautical Miles, taking care to keep the Cannonier Point Light *white* for a distance of 6½ Miles, when the Flat Island and Cannonier Point Lights will appear in one—the change of this color to red within that distance will indicate a too near approach to the and.

The *red* Light at the mouth of the Grand River will now be opened bearing S. S W., for which vessels may safely steer until the Mast Light (Green) upon Fort George on Tonnelier Island bears S. E. ½ S, when they may immediately let go the anchor, being on the best ground—a nearer approach to the Light at Grand River would bring them too close to the reefs.

If the night is clear, the "Corps de Garde" Mountain will be clearly seen in line with the Grand River Light.

It is, however, generally advisable for vessels passing Cannonier Point at night, to lay to, keeping sail occasionally upon the ship, for the purpose of maintaining a good position for making the anchorage at day-break, in preference to attempting it at night. by which, in a very few instances, any time will be gained. Considerable risk, as well as the necessity for anchoring outside at all, will also be thus avoided.

Surveyor General.

ON FLOWERS AND FLOWER GARDENS,

BY D. L. RICHARDSON.

PRICE THREE RUPEES.

Published by Messrs. P. S. DeRozario & Co.

*** The book extends to 264 full-sized octavo pages.

The new book by D. L. R., which we have for some time past been anxiously looking for, is published, and will no doubt be as popular as the preceding works of this justly favorite author, whose writings are even more highly esteemed in England and America than in India.—*Bengal Hurkaru, September* 28, 1855.

He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward.—*Eastern Star, September* 29, 1855.

It is a valuable contribution to our Indian Literature.—*Calcutta Christian Advocate, October* 6.

A Book of Gems, well worthy the Author's high reputation.—*Central Star, October* 13.

We cannot but recommend this volume to all who admire sprightly writing and elegantly selected poetry.—*Indian Times, October* 17.

Mr. Richardson—better known to the reading public as "D. L. R."—has a wide reputation as a careful and polished writer.—*Bombay Telegraph and Courier, October* 22.

A very pleasant book which we can cordially recommend to the attention of our readers—A delightful *melange* about flowers and flower gardens, floriculture in general, and the enjoyments of rural life.—*Bombay Times, October* 27, 1855.

His last work is well worthy of a post in any library where the *quality* and not *quantity* of books is considered.—*Phœnix, November* 13, 1855.

An Act relating to Embankments.

Preamble.

WHEREAS the Regulations now in force, for the maintenance of embankments in the Territories under the Government of the Lieutenant-Governor of Bengal, have been found ineffectual for the intended purposes thereof, and whereas it is desirable that provision should be made for the better supervision and protection of the same: It is enacted as follows:—

Who to have superintendence of public embankments.

IV. *Clause* 1.—The Superintendent of Embankments may cause any embankment which connects public embankments, or forms by junction with them part of a line of embankments, or is necessary for the protection of the neighbouring country, to be taken charge of and kept up by the officers of Government.

Superintendent may take charge of any embankment which connects public embankments, &c.

Clause 2.—He may also cause any private embankment, which endangers the stability of a public embankment, or obstructs the beneficial drainage of the country, to be removed.

Upon the receipt of such notice, the Collector shall cause a proclamation to be issued, incorporating the substance of the notice, and calling upon all persons interested, who may be desirous of showing cause against the execution of such works, to appear before him on a certain day to be named therein.

Before taking charge of private embankments, &c. Superintendent to give notice to Collector, who shall issue a proclamation.

Clause 2.—The proclamation shall be published by affixing the same in the Cutcherry of the Collector, the Mal Cutcherry (if any) of the estate on which the works are intended to be executed, and on some conspicuous spot in the neighbourhood thereof. If he differ from the Collector, the case shall be referred to the Commissioner of Revenue, who shall pass such orders thereon as he may deem fit.

Clause 4.—Every such order passed by the Superintendent shall be appealable to the Commissioner of Revenue, and every order of the Commissioner shall be appealable to the Board of Revenue; but no appeal shall lie against any order passed under this Section, unless the same be presented within one month from the date of the order.

Proviso.

VII. *Clause* 1.—When the Superintendent of Embankments shall enlarge or change the line of any embankment, or make a new embankment, or cause an embankment to be removed, any person sustaining damages thereby, who, but for the passing of this Act, would be entitled to compensation, may prefer his claim for such compensation to the Collector of the District, at any time within twelve months after the execution of the work by which he is endamaged, and the Collector thereupon shall report the case for the orders of the superior Revenue authorities. If the claim be rejected, the claimant shall not be deprived, by reason of this Act, of any right which he might otherwise have had, to recover such compensation by a civil action; but such action shall not lie, unless the claimant shall have first preferred his claim to the Collector within the period above mentioned, nor unless the suit be brought within a period of one year after notice to the claimant of its rejection. If the claim for compensation be admitted by the Revenue authorities, and the amount of compensation cannot be agreed upon, the same shall be settled by arbitration, in the manner hereinafter provided, and in no other manner, unless by the consent of the claimant and of the superior Revenue authorities.

Compensation for damages sustained under this Act.

Clause 2.—Unless the Collector and the claimant concur in the appointment of a single arbitrator, the Collector on the part of Government, and the claimant, shall each appoint an arbitrator. The appointment shall be in writing, and neither of the said parties shall have power to revoke the same without the consent of the other.

Appointment of arbitrators.

Clause 3.—If there be several claimants for compensation in respect to the same injury, and they cannot agree in the appointment of an arbitrator on their behalf, in that case each of them may nominate one person; and the Collector shall choose by lot out of the persons so nominated by the parties, or any of them, a person to act as arbitrator on behalf of the claimants. If only one person shall be so no

Clause 4.—When more than a single arbitrator shall be appointed, the arbitrators shall, before they enter upon the matters referred to them, nominate and appoint by writing a third person to act with them as arbitrator ; and in case the arbitrators shall neglect to appoint such third arbitrator for a period of seven days after having been required so to do, the Collector may appoint such third arbitrator. If the arbitrators differ in opinion, or if one of them, having received due notice of a meeting of arbitrators, neglect to attend, any two arbitrators may make an award.

Arbitrator refusing or becoming incapable to act, &c.

Clause 5.—If any person, on being appointed an arbitrator, shall refuse to act, or, after accepting the appointment, shall die or become incapable of acting, another person shall be appointed in his stead, in the same manner in which the first person was appointed.

Clause 6.—After the arbitrators have accepted the appointment, the Collector shall be competent to exercise towards them such powers and authority, for securing their attendance and the due completion of their award, as the said Collector may legally exercise towards witnesses summoned before him, when acting judicially for the purposes of compelling them to attend and give evidence.

In default of award within a specified period, fresh arbitrators may be chosen.

Clause 7.—If no award be made within a period to be fixed for that purpose by the Collector, he may order that the matter shall be referred to another arbitrator or other arbitrators, to be chosen in the same manner and subject to the same rules as the first.

Collector to furnish information to the arbitrators, and to enforce the attendance and examination of witnesses, &c.

Clause 8.—The Collector shall furnish to the arbitrators, or, so far as may be in his power, procure for them, any information which his records or those of any public department may afford connected with the subject of enquiry. He shall, on the application of the arbitrators, summon any witnesses whom the arbitrators may call for, and whom the parties may not be able to produce before them without such process, and require the persons so summoned to bring and produce before them all such books, papers, deeds, writings, maps, and plans, as they shall require. He shall also cause the proper affirmation to be made and signed by any witness whom the arbitrators may desire to examine upon affirmation, or he may empower the arbitrators to cause such affirmation to be made and signed before them. Any witness who shall refuse or omit to appear when duly summoned by the Collector, or who shall appear but shall refuse to make such affirmation, or who shall refuse to give evidence, shall be liable to the same punishment which would be incurred under the law by a witness refusing to appear or give evidence before the Collector when acting judicially. Any person giving intentionally and deliberately a false deposition, under an affirmation, in any case referred to arbitration as above, shall be held to be guilty of perjury, and shall be liable to the penalties prescribed for that offence by law.

Award of the arbitrators.

Clause 9.—On the close of the enquiry, the arbitrators shall deliver a full and complete award, which shall specify the amount of compensation and the party or parties entitled thereto. The proceedings of the arbitration shall be deposited in the Collector's Office, and every party interested therein shall be entitled to a copy of the award on plain paper under the seal and signature of the Collector, which copy shall be *primâ facie* evidence thereof.

Payment of compensation may in certain cases be deferred.

Clause 10.—If the right to the compensation awarded shall in any case be doubtful, or if there exist any ground which, in the judgment of the arbitrators or of the Collector, render it improper to make immediate payment thereof to any of the claimants, the amount shall be invested in Government securities, and held in deposit until one of the claimants shall obtain an order of Court for the payment thereof.

Reversal or alteration of award.

Clause 11.—No award passed under this Section shall be liable to be reversed or altered, except by the decision of a Civil Court on the ground of corruption or misconduct of the arbitrators ; and no suit to set aside such an award shall be entertained unless it be instituted within three months from the date of the award. In case the award shall be so reversed, the matter shall be referred to another arbitrator or other arbitrators, to be appointed in the same manner as the first.

Suits and proceedings against Government, except suits for reversal of awards, to be dismissed with costs.

Clause 12.—All suits and proceedings instituted against Government in any case in which compensation has been awarded, except suits instituted for the reversal of awards as aforesaid, shall be dismissed with costs. But nothing herein contained shall affect the right of any party to recover the amount awarded from any person who may have received the same without any just title thereto.

Proviso.

Clause 13.—In fixing the amount of compensation to which any person may be entitled by reason of any of the acts mentioned in Clause 1 of this Section, the Court or arbitrators, as the case may be, shall take into consideration whether any party to the suit or arbitration has derived, or will derive, benefit from the act in respect of which the compensation is claimed, and shall set off the estimated value of such benefit, if any, against the compensation which would otherwise be decreed or awarded to that party.

The provisions of this Section not to apply to cases of compensation in respect to huts, trees, or crops.

Clause 14.—The provisions of this Section shall not be held applicable to cases in which the compensation to be made has reference only to huts, trees, or crops, which it may be necessary to remove or destroy in enlarging or changing the line of a public embankment. In all such cases the Officer in charge of the public embankments of the district shall report to the Collector, and the Collector shall thereupon proceed to value and make compensation for such huts, trees, and crops, in the manner prescribed in Section XII of this Act.

The application shall contain such particulars of the land to be drained or irrigated as may enable the officers of Government to judge of the advantage which may be derived from the work, and shall declare, as regards an embankment maintained at the expense of the State, whether the applicant is willing to bear such part, not exceeding half, of the cost thereof as may be determined by Government, and as regards any other public embankment, whether the applicant is willing to defray the whole or such part of the cost incident to, and attendant on, the proposed work, as may be determined as aforesaid.

The Superintendent of Embankments shall pass such order thereon as he shall think fit, which order shall be final.

Upon the applicant engaging to defray the cost, Collector may issue certificate.

decrees for arrears of rent, only at the end of the year, and it is expedient that this restriction should be abolished; and whereas it is also expedient that the Laws relative to the public sale of Under-Tenures in satisfaction of summary decrees for arrears of rent, for the recovery of arrears of rent in mehals under the immediate management of the Officers of Government, and for the recovery of arrears of revenue or other demands recoverable as arrears of revenue, should be consolidated and amended: It is enacted as follows:—

Regulations and Acts repealed.

I. Section XVI Regulation VIII. 1819, Regulation I. 1820, Act No. VIII of 1835, and Section X Act No. VI of 1853, are hereby repealed, except in so far as they repeal any part of any other Regulation or Act.

Under-Tenures may be sold at any period of the year.

II. Under-Tenures which, by the title-deeds or custom of the country, are transferable by sale or otherwise, may be brought to sale in satisfaction of summary decrees for arrears of rent due thereon, and for the recovery of rent in mehals under the immediate management of the Officers of Government, at any period of the year, and not only at its close, any thing contained in Regulation VII. 1799 and Regulation XXVIII. 1803 notwithstanding; and no sale of an Under-Tenure, which may have been made previously to the passing of this Act, shall be set aside or reversed on the ground of its having been made before the close of the year, for an arrear of rent falling due within the year in which the sale was made.

All sales of Under-Tenures to be made according to this Act.

III. All sales of Under-Tenures in satisfaction of summary decrees for arrears of rent due thereon, for the recovery of arrears of rent in mehals under the immediate management of the Officers of Government, and for the recovery of arrears of revenue, or of other demands recoverable as arrears of revenue, shall be made under the provisions of this Act.

By what Officers sales may be held.

IV. Sales under this Act may be held by any Collector, Deputy Collector, or other Officer legally exercising the powers of a Collector, or by any Assistant to a Collector vested with special powers under Section XXI Regulation VIII of 1831. The provisions of Sections I, II, III, and IV of Act No. VI of 1853 shall be applicable to all sales made under this Act.

Boards of Revenue may fix dates for sales.

V. The Boards of Revenue, with the sanction of the Local Governments, may fix for each district certain dates, not being fewer than one in each quarter of the official year, upon which Under-Tenures shall be brought to sale for the demands specified in Section III of this Act. When dates of sale are so fixed, the said Boards shall give notice of the same by advertisement in the Official Gazettes, and shall direct corresponding publication to be made, as regards each district, in the language of that district in the office of the Collector, Deputy Collector, or other Officer authorized to hold sales under this Act, and in the Courts of the Judge, Magistrate, Principal Sudder Ameen, Sudder Ameens, and Moonsiffs; and the dates so fixed shall not be changed except by the said Boards by advertisement and notifications in the manner above described.

Proviso.

Provided that, if no dates are so fixed by the said Boards, sales may be made upon any dates for which notifications shall have been duly issued in the manner hereinafter prescribed.

Notification of sale.

VI. Previously to the sale of any Under-Tenure under this Act, a notification, specifying the name of the proprietor, the name and description of the tenure, the amount of the demand, and the day of sale, shall be affixed for a period of not less than fifteen clear days in the Zillah Court, or highest Civil Court of the District or Division in which the Collector, or other Officer authorized to hold sales under this Act, has jurisdiction, and in the office of the Collector or other Officer as aforesaid, and also at the residence of the tenant, or at some conspicuous place upon the Tenure; the manner of the publication of such notification to be certified by the peon or other person employed for the purpose.

Mode of conducting sale.

VII. The sale shall be held in public Cutcherry on the day specified in the notice, or on any subsequent day to which the Collector, or other Officer as aforesaid, may adjourn the sale, unless the sum due be then or previously paid, or the party, for whose benefit the sale is to be made desire that it be not proceeded with. The Tenure shall be sold to the highest bidder; and the person who shall be declared the purchaser, shall be required to deposit immediately, or as soon after the conclusion of the sale as the Collector or other Officer as aforesaid may think necessary, fifteen per centum of the purchase-money in cash, Bank of Bengal notes, or Government Securities; and in default of such deposit, the Tenure shall forthwith be put up again and sold. The remainder of the purchase-money shall be paid before noon of the eighth day from the day of sale, or if the eighth day be a Sunday or other close holiday, of the first office day after the eighth; and in default of payment within the prescribed period, then, and afterwards, as often as such default shall occur, the deposit shall be forfeited to Government, and the Tenure shall be re-sold; and in the event of the proceeds of the sale, which may eventually be consummated, being less than the price bid by the defaulting bidder aforesaid, the difference shall be leviable from him by any process authorized for realizing an arrear of public revenue, and it shall be so levied and credited to the proprietor of the tenure sold; and if default of payment of purchase-money shall have occurred more than once, the defaulting bidders shall be held jointly and severally responsible for such difference to the extent of the amount of their respective bids. When default is made in the payment of purchase-money, notice of the intended re-sale shall be immediately affixed in the Zillah Court or highest Civil Court of the District or Division as aforesaid, and the office of the Collector or other Officer as aforesaid; and unless the sum due be paid intermediately by the proprietor of the Tenure, such re-sale shall be made on the office day next following the occurrence of such default, or on any subsequent day to which the Collector or other Officer as aforesaid may adjourn the re-sale.

VIII. Against every sale made under this Act an appeal shall lie to the Commissioner of Revenue; provided that, if the sale shall have been made in satisfaction of a summary decree for rent, an appeal shall be admitted only on the ground that the Tenure was not of a description liable to sale, or of some substantial defect in the proceedings. If the sale shall have been made for the recovery of any Government demand, there shall be no restriction of the grounds of appeal; and the Commissioner may pass such orders thereupon as he shall deem just and proper. But no appeal against a sale under this Act shall be received, unless it be presented to the Collector or other Officer as aforesaid, for transmission to the Commissioner, within eight days from the day of sale.

Provisions for appeal.

IX. When the whole of the purchase-money has been paid in, the purchaser, on the eighth day after the sale, shall receive from the Collector or other Officer as aforesaid, a certificate of title, such title bearing date from the day of sale, unless an appeal against the sale have been preferred, in which case the certificate shall be withheld until the orders of the Commissioner on the appeal shall have been received. Any balance of purchase-money that may remain after satisfying the demand for which the sale was made, shall be paid to the late proprietor of the Tenure, or, if there be more than one, to the late proprietors on their joint receipt.

Certificate of title.

X. Any suit brought to oust the certified purchaser of an Under-Tenure, on the ground that the purchase was made on behalf of another person, not the certified purchaser, though by agreement the name of the certified purchaser was used, shall be dismissed with costs.

Certified purchaser not to be ousted on plea of *benamee* purchase.

XI. After the expiration of one year from the passing of this Act, no suit shall be entertained to set aside or reverse the sale of an Under-Tenure made before the passing of this Act under the provisions of Regulation VIII. 1819, as modified by Section XVI Regulation VII. 1832, or of any Regulation or Act mentioned in Section I of this Act. And no suit shall be entertained to set aside or reverse any sale made after the passing of this Act under the provisions of Regulation VIII 1819 modified as aforesaid, or of this Act, unless the suit shall be instituted within the period of one year from the date of such sale.

Period within which suit may be brought to set aside sale.

Clerk of the Council.

THE following Bill was read a second time in the Legislative Council on the 1st December 1885, and was referred to a Select Committee who are to report thereon after the 5th of March next:—

A Bill to amend the Law relating to Bills of Lading.

WHEREAS by the custom of Merchants a Bill of Lading of goods being transferable by endorsement, the property in the goods may thereby pass to the endorsee, but nevertheless all rights in respect of the contract contained in the Bill of Lading continue in the original shipper or owner, and it is expedient that such rights should pass with the property; and whereas it frequently happens that the goods in respect of which Bills of Lading purport to be signed have not been laden on board, and it is proper that such Bills of Lading in the hands of a *bonâ fide* holder for value should not be questioned by the Master or other person signing the same, on the ground of the goods not having been laden as aforesaid: It is enacted as follows:—

Preamble.

I. Every consignee of goods named in a Bill of Lading, and every endorsee of a Bill of Lading to whom the property in the goods therein mentioned shall pass, upon or by reason of such consignment or endorsement, shall have transferred to and vested in him all rights of suit, and be subject to the same liabilities in respect of such goods as if the contract contained in the Bill of Lendinga had be made with himself.

Rights under Bills of Lading to vest in consignee or endorsee.

II. Nothing herein contained shall prejudice or affect any right of stoppage *in transitu*, or any right to claim freight against the original shipper or owner, or any liability of the consignee or endorsee, by reason or in consequence of his being such consignee or endorsee, or of his receipt of the goods by reason or in consequence of such consignment or endorsement.

Not to affect right of stoppage *in transitu* or claims for freight.

III. Every Bill of Lading in the hands of a consignee or endorsee for valuable consideration, representing goods to have been shipped on board a vessel, shall be conclusive evidence of such shipment as against the Master or other person signing the same, notwithstanding that such goods or some part thereof may not have been so shipped, unless such holder of the Bill of Lading shall have had actual notice at the time of receiving the same that the goods had not in fact been laden on board.

Bill of Lading in hands of consignee, &c. conclusive evidence of the shipment as against Master, &c.

Provided that the Master or other person so signing may exonerate himself in respect of such misrepresentation by showing that it was caused without any default on his part, and wholly by the fraud of the shipper, or of the holder, or some person under whom the holder claims.

Preamble.

I. If it shall appear that any officer or soldier, being a deserter from the said forces, has been concealed on board any merchant vessel, and that the master or person in charge of such vessel for the time being, though ignorant of the fact of such concealment, might have known of the same but for some neglect of his duty as such master or person, or for the want of proper discipline on board his vessel, such master or person shall be liable to a fine not exceeding five hundred Rupees. Provided always, that no conviction for such minor offence as is lastly hereinbefore described shall be lawful, unless the same shall be stated in the charge which the party is called upon to answer; and in such charge it shall be lawful to state in the alternative that the party has either knowingly harboured or concealed a deserter on board his vessel, or has, by neglect of duty or by reason of the want of proper discipline on board the vessel, allowed such deserter to be so concealed.

Jurisdiction.

III. Conviction to be quashed on merits only; form of conviction, &c.

IV. Nothing in this Act contained shall prevent any Justice of the Peace, Magistrate, or other officer having authority in that behalf, from committing for trial any person who shall be charged with an offence punishable under Act No. XIV of 1849, or any other Act hereafter to be in force, notwithstanding that such offence may be also punishable under this Act; provided that no proceedings shall have been had against such person in respect of the same offence under this Act.

Commanding Officer may issue warrant for apprehension of deserters.

VI. The warrant to be issued under the preceding Section may be addressed to any European officer or soldier of the said forces, or to all constables, peace officers, and other persons who may be bound to execute the warrant of any Justice of the Peace, Magistrate, Joint Magistrate, or person lawfully exercising the powers of a Magistrate, and acting in the execution of this Act; and all such persons shall be bound to execute, perform, and obey such warrant.

ON FLOWERS AND FLOWER GARDENS,

BY D. L. RICHARDSON.

PRICE THREE RUPEES.

Published by Messrs. P. S. DeRozario & Co.

*** The book extends to 204 full-sized octavo pages.

The new book by D. L. R., which we have for some time past been anxiously looking for, is published, and will no doubt be as popular as the preceding works of this justly favorite author, whose writings are even more highly esteemed in England and America than in India.—*Bengal Hurkaru, September* 28, 1855.

He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward.—*Eastern Star, September* 29, 1855.

It is a valuable contribution to our Indian Literature.—*Calcutta Christian Advocate, October* 6.

A Book of Gems, well worthy the Author's high reputation.—*Central Star, October* 18.

We cannot but recommend this volume to all who admire sprightly writing and elegantly selected poetry.—*Indian Times, October* 17.

Mr. Richardson—better known to the reading public as "D. L. R."—has a wide reputation as a careful and polished writer.—*Bombay Telegraph and Courier, October* 22.

A very pleasant book which we can cordially recommend to the attention of our readers.—A delightful *melange* about flowers and flower gardens, floriculture in general, and the enjoyments of rural life.—*Bombay Times, October* 27, 1855.

His last work is well worthy of a post in any library where the *quality* and not *quantity* of books is considered.—*Phœnix, November* 13, 1855.

Legislative Council.

The 8th December 1855.

THE following Bill was read a second time in the Legislative Council on the 8th December 1855, and was referred to a Select Committee who are to report thereon after the 12th of March next:—

A Bill for the better prevention of desertion by European Soldiers from the Land Forces of Her Majesty and of the East India Company in India.

Preamble.

WHEREAS it is expedient to extend and amend the laws in force for apprehending and detaining European deserters from the Land Forces in the Service of Her Majesty and of the East India Company in India, and for punishing persons who aid and encourage such deserters: It is enacted as follows:—

Penalty on master in certain cases if a deserter be concealed on board his ship.

I. If it shall appear that any officer or soldier, being a deserter from the said forces, has been concealed on board any merchant vessel, and that the master or person in charge of such vessel for the time being, though ignorant of the fact of such concealment, might have known of the same but for some neglect of his duty as such master or person, or for the want of proper discipline on board his vessel, such master or person shall be liable to a fine not exceeding five hundred Rupees. Provided always, that no conviction for such minor offence as is lastly hereinbefore described shall be lawful, unless the same shall be stated in the charge which the party is called upon to answer; and in such charge it shall be lawful to state in the alternative that the party has either knowingly harboured or concealed a deserter on board his vessel, or has, by neglect of duty or by reason of the want of proper discipline on board the vessel, allowed such deserter to be so concealed.

Proviso.

Charge may be in the alternative.

Jurisdiction.

II. Any person, whether a European British subject or not, who shall be guilty of an offence punishable under this Act, shall be punishable for the same by any Justice of the Peace for any of the Presidency Towns of Calcutta, Madras, and Bombay, or for any of the Settlements of Prince of Wales' Island, Singapore, and Malacca, Magistrate, Joint Magistrate, or person lawfully exercising the powers of a Magistrate in any Port within the territories of the East India Company, within whose jurisdiction the offence may have been committed, or such person may have been apprehended or found, whether the offence shall have been committed within the local limits of the jurisdiction of such officer or not; and any person hereby made punishable by a Justice of the Peace, shall be punishable on summary conviction.

Conviction to be quashed on merits only; form of conviction, &c.

III. No conviction, order, or judgment of any Justice of the Peace shall be quashed for error of form or procedure, but only on the merits; and it shall not be necessary to state on the face of the conviction, order, or judgment, the evidence on which it proceeds; but the depositions taken, or a copy of them, shall be returned with the conviction, order, or judgment, in obedience to any writ of *certiorari*; and if no jurisdiction appears on the face of the conviction, order, or judgment, but the depositions taken supply that defect, the conviction, order, or judgment, shall be aided by what so appears in such depositions.

Saving of proceedings under Act No. XIV of 1849.

IV. Nothing in this Act contained shall prevent any Justice of the Peace, Magistrate, or other officer having authority in that behalf, from committing for trial any person who shall be charged with an offence punishable under Act No. XIV of 1849, or any other Act hereafter to be in force, notwithstanding that such offence may be also punishable under this Act provided that no proceeding shall have been had against such person in respect of the same offence under this Act.

Proviso.

Commanding Officer may issue warrant for apprehension of deserters.

V. Whenever, on information given on oath or solemn affirmation where by law a solemn affirmation may be used instead of an oath, to the Commanding Officer of any fort, garrison, station, regiment, or detachment at any port or place within the territories of the East India Company, which oath or affirmation the several persons above-named shall severally under this Act have power to administer; or whenever on such information as aforesaid given to any Justice of the Peace, Magistrate, Joint Magistrate, or person lawfully exercising the powers of a Magistrate, having jurisdiction within such port or place there shall appear reason to suspect that any Eu-

Warrant to whom to be addressed and by whom to be executed.

VI. The warrant to be issued under the preceding Section may be addressed to any European officer or soldier of the said forces, or to all constables, peace officers, and other persons who may be bound to execute the warrant of any Justice of the Peace, Magistrate, Joint Magistrate, or person lawfully exercising the powers of a Magistrate, and acting in the execution of this Act; and all such persons shall be bound to execute, perform, and obey such warrant.

Persons apprehended how to be dealt with, &c.

VII. Every person who shall be apprehended as a deserter from the said forces, under any warrant under the 5th Section of this Act, shall be brought without delay before a Justice of the Peace, Magistrate, Joint Magistrate, or person lawfully exercising the powers of a Magistrate, in or near the place wherein such person shall have been arrested, who shall examine such person, and if he shall be satisfied, either by the confession of such person or the testimony of one or more witness or witnesses, or by his own knowledge, that such person is a deserter from the said forces, shall cause him to be delivered, together with any depositions and papers relative to the case, to the Commanding Officer of the regiment, corps, or detachment to which he shall belong, or to the Commanding Officer of the nearest military station, in order that he may be dealt with according to law.

NOTICE is hereby given, that on Thursday, the 10th January 1856, at the hour of Eleven o'Clock in the Forenoon, will be put up to Sale at the Exchange Rooms at Calcutta, and sold by Public Auction, for Exportation by Sea, the under-mentioned quantity of Opium, the Provision of 1854-55, subject to the following Conditions, *viz.* :—

Produce of Behar Agency, ...	Chests 2,440
Ditto of Benares Ditto,.....	„ 1,020
Total,	Chests 3,460

Conditions of Sale.

1*st.* The Opium will be sold for Exportation by Sea only, and no Certificate will be granted, except to cover such Export.

2*nd.* The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3*rd.* The Sale shall commence at the hour of 11 A. M. and shall not be continued after the hour of 5 P. M., but if at that hour any of the Lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining Lots are disposed of; or if the quantity of 3,460 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4*th.* Each Lot to contain Five Chests.

5*th.* A deposit in a Promissory Note, either for 25 per cent even money of the amount for which each Lot is knocked down, or for Rupees 1,000, at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the Lot is registered in the Sale Book; and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Tuesday, the 15th January; or on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of Re-sale, as the Board of Revenue shall see fit; and all losses and expenses whatsoever attending such Re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6*th*. The Promissory Notes taken on the day of Sale, under the last-mentioned Condition, if remaining unredeemed on the said 15th January, will be placed in the hands of the Attorney to the Hon'ble Company, for realization in such manner as to him shall seem fit.

7*th*. No tender of money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 15th January, will be afterwards accepted.

8*th*. The Opium now advertized for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Friday, the 25th January 1856; and in case any Lots of such Opium shall not be so paid for and adjusted, then the Cash deposit of 25 per cent. even money of the amount for which each Lot is knocked down, or Rupees 1,000 for each Lot, or any Public Securities that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government, at such time, and in such manner, as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9*th*. Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of Lots of their purchase which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single Lots, or of a different number of Lots or Chests, whether more or less than the number of Lots or Chests originally required to be included in each Certificate or Order.

10*th*. No Sub-Treasurer's Receipts or deposit of Public Securities, under the 5th of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The Receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order

11*th*. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time a deposit, either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per cent. even money of the amount so bid, or Rupees 1,000 for each Lot.

12*th*. With a view to prevent fictitious biddings, designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale shall be competent, at any time during the Sale, to withdraw any unsold Lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually, until a bid is obtained; and the first *bonâ fide* bidder for a Lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said Lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent Lots as he may think proper; provided always that no Lot shall be sold below the minimum price of Rupees 400 specified in the 2nd Clause of these Conditions.

13*th*. The purchaser of any Lot shall have the option of naming and purchasing, in immediate succession, any number of Lots of the same Agency Opium to the extent of Twenty-five Lots; and for the Lots so purchased, the purchaser shall deposit for each Lot 25 per cent. even money of the amount bid by him for the first Lot, or Rupees 1,000 for each Lot, and pay the same price per Chest as that for which he purchased his first Lot; provided always that there remain a sufficient number of Lots of that Opium to complete the said Twenty-five, but not otherwise.

14*th*. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15*th*. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1, Certificate of the Opium now advertized for Sale.

No 2, Report of the Examination of such Opium.

16*th*. The Public are hereby informed, that in providing the investment of the Behar and Benares Opium, for the year 1854-55, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue; and further, that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17*th*. Any further information, respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may

be preferred on reference to Chests after the sale and delivery of the Opium for shipment.

18*th*. The Public are hereby informed, that in addition to the quantity above-mentioned, the following quantities,* more or less, of Behar and Benares Opium, will be brought to Sale in the year 1856 on or about the dates specified below; the Board, however, reserve to themselves the right of altering these dates, should circumstances render it expedient to do so:—

It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that out of the quantities of Behar and Benares Opium, declared as above for Sale at the twelve Sales in the months of January, February, March, April, May, June, July, August, September, October, November, and December 1856, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year within thirty days after the publication of this Advertizement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned, the entire quantity of about 41,508 Chests of Behar and Benares, as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose:—

Article of the Convention above referred to.

Article 6th. "With regard to the Trade in Opium, it is agreed between the high contracting parties, that at each of the periodical Sales of that Article, there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much on reduction of the Three hundred Chests hereinbefore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the *Government Gazette.*"

The objects of this Light are, to indicate the position of a dangerous shoal, nearly 1¾ miles from the shore, and to keep vessels clear of the coral reefs to the North-East and South-West of the Point.

"HARBOUR MAST LIGHTS."

One of these is placed as a leading Light (Red) at the Martello Tower at the mouth, and on the left bank of the Grand River; and the other (Green) at Fort George, on Tonnelier Island.

GENERAL DIRECTIONS.

Vessels making the land from the Eastward (Windward) side of the Island should give a berth of 2½ Miles to the reefs off Amber Island and be careful not to approach the Light on Flat Island on a course to the Westward of N. W. by N. ½ N., until Gunner's Quoin bears *West*, when they may shape a mid-channel course between Gunner's Quoin and Flat Island.

When to the Westward of the Quoin the Light at Cannonier Point will become visible and must be approached with the Flat Island Light, bearing astern E. N. E. ½ N., until abreast of Cannonier Point, when that Light will bear S., E. by S. a berth of rather more than 2 Nautical Miles being thus given to the dangerous reef and shoal off the Point.—They may then haul up to S. W. by S. for the anchorage distant about 10 Nautical Miles, taking care to keep the Cannonier Point Light *white* for a distance of 6¾ Miles, when the Flat Island and Cannonier Point Lights will appear in one—the change of this color to red within that distance will indicate a too near approach to the end.

The *red* Light at the mouth of the Grand River will now be opened bearing S. S. W., for which vessels may safely steer until the Mast Light (Green) upon Fort George on Tonnelier Island bears S. E. ½ S., when they may immediately let go the anchor, being on the best ground—a nearer approach to the Light at Grand River would bring them too close to the reefs.

If the night is clear, the "Corps de Garde" Mountain will be clearly seen in line with the Grand River Light.

It is, however, generally advisable for vessels passing Cannonier Point at night, to lay to, keeping sail occasionally upon the ship, for the purpose of maintaining a good position for making the anchorage at day-break, in preference to attempting it at night, by which, in a very few instances, any time will be gained. Considerable risk, as well as the necessity for anchoring outside at all, will also be thus avoided.

THE following Act, passed by the Legislative Council of India, received the assent of the Most Noble the Governor General on the 14th December 1855, and is hereby promulgated for general information:—

ACT No. XXXIV OF 1855.

An Act to explain and amend Act No. XXXIII of 1852.

WHEREAS doubts have arisen whether a Court to which application is made to enforce or execute a judgment under the provisions of Act No. XXXIII of 1852 has power to inquire into the validity of the judgment; and it is expedient to remove such doubts, and to prevent any such Court from inquiring into the validity of a judgment in respect of which it has no appellate jurisdiction, and to provide for a stay of execution when such Court thinks it reasonable that the validity of the judgment should be inquired into: It is enacted as follows:—

Preamble.

I. The Court to which application is made to enforce or execute a judgment under the provisions of Act No. XXXIII of 1852, shall not have power to inquire into the validity of such judgment, unless it appear, upon the face of such judgment, that the Court by which the judgment was given had no jurisdiction to pronounce the same.

Court to which application to enforce a judgment of another Court is made, not to inquire into the validity of the judgment.

Proviso.

II. The Court to which the application is made may, upon reasonable cause being shown, stay the execution of the judgment for a reasonable time, to enable the judgment-debtor to apply to the Court by which the judgment was given, or to any Court having appellate jurisdiction in respect of the judgment or execution thereof, for an order to stay the execution, or for any other order relating to the judgment or the execution thereof, which such Court of first instance or Court of Appeal might have made if execution had been issued by the Court of first instance, or if application for execution had been made to such Court; and in case the property or person of the judgment debtor shall have been seized under an execution, the Court which issued the execution may order restitution of the property, or the discharge of the person of the debtor, in the mean time.

Such Court may, in certain cases, stay execution of judgment.

III. Before making an order to stay execution, or for the restitution of property, or the discharge of the judgment-debtor under this Act, the Court may require such security from, or impose such conditions upon, the judgment-debtor, as it may deem reasonable.

Court may, in such cases, take security, &c. from judgment-debtor.

IV. Any order of the Court in which the judgment was given, or of such Court of Appeal as aforesaid, shall be binding upon the Court to which the application for execution was made, and shall be a sufficient indemnity for all persons acting in execution of process issued by such last-mentioned Court.

Order of Court pronouncing judgment to be binding upon Court enforcing the same.

V. No discharge of a defendant under the provisions of this Act shall prevent him from being re-taken in execution of the judgment.

Defendant discharged under this Act liable to be re-taken in execution of the judgment.

VI. This Act shall be read with, and taken as part of, Act No. XXXIII of 1852.

THE following Bill was read a second time in the Legislative Council on the 8th December 1855, and was referred to a Select Committee who are to report thereon after the 12th of March next:—

A Bill for the better prevention of desertion by European Soldiers from the Land Forces of Her Majesty and of the East India Company in India.

WHEREAS it is expedient to extend and amend the laws in force for apprehending and detaining European deserters from the Land Forces in the Service of Her Majesty and of the East India Company in India, and for punishing persons who aid and encourage such deserters: It is enacted as follows:— Preamble.

I. If it shall appear that any officer or soldier, being a deserter from the said forces, has been concealed on board any merchant vessel, and that the master or person in charge of such vessel for the time being, though ignorant of the fact of such concealment, might have known of the same but for some neglect of his duty as such master or person, or for the want of proper discipline on board his vessel, such master or person shall be liable to a fine not exceeding five hundred Rupees. Provided always, that no conviction for such minor offence as is lastly hereinbefore described shall be lawful, unless the same shall be stated in the charge which the party is called upon to answer; and in such charge it shall be lawful to state in the alternative that the party has either knowingly harboured or concealed a deserter on board his vessel, or has, by neglect of duty or by reason of the want of proper discipline on board the vessel, allowed such deserter to be so concealed. Penalty on master in certain cases if a deserter be concealed on board his ship. Proviso. Charge may be in the alternative.

II. Any person, whether a European British subject or not, who shall be guilty of an offence punishable under this Act, shall be punishable for the same by any Justice of the Peace for any of the Presidency Towns of Calcutta, Madras, and Bombay, or for any of the Settlements of Prince of Wales' Island, Singapore, and Malacca, Magistrate, Joint Magistrate, or person lawfully exercising the powers of a Magistrate in any Port within the territories of the East India Company, within whose jurisdiction the offence may have been committed, or such person may have been apprehended or found, whether the offence shall have been committed within the local limits of the jurisdiction of such officer or not; and any person hereby made punishable by a Justice of the Peace, shall be punishable on summary conviction. Jurisdiction.

III. No conviction, order, or judgment of any Justice of the Peace shall be quashed for error of form or procedure, but only on the merits; and it shall not be necessary to state on the face of the conviction, order, or judgment, the evidence on which it proceeds; but the depositions taken, or a copy of them, shall be returned with the conviction, order, or judgment, in obedience to any writ of *certiorari;* and if no jurisdiction appears on the face of the conviction, order, or judgment, but the depositions taken supply that defect, the conviction, order, or judgment, shall be aided by what so appears in such depositions. Conviction to be quashed on merits only; form of conviction, &c.

IV. Nothing in this Act contained shall prevent any Justice of the Peace, Magistrate, or other officer having authority in that behalf, from committing for trial any person who shall be charged with an offence punishable under Act No. XIV of 1849, or any other Act hereafter to be in force, notwithstanding that such offence may be also punishable under this Act; provided that no proceedings shall have been had against such person in respect of the same offence under this Act. Saving of proceedings under Act No. XIV of 1849. Proviso.

V. Whenever, on information given on oath or solemn affirmation where by law a solemn affirmation may be used instead of an oath, to the Commanding Officer of any fort, garrison, station, regiment, or detachment at any port or place within the territories of the East India Company, which oath or affirmation the several persons above-named shall severally under this Act have power to administer; or whenever on such information as aforesaid given to any Justice of the Peace, Magistrate, Joint Magistrate, or person lawfully exercising the powers of a Magistrate, having jurisdiction within such port or place, there shall appear reason to suspect that any Eu- Commanding Officer may issue warrant for apprehension of deserters.

Warrant to whom to be addressed and by whom to be executed.

VI. The warrant to be issued under the preceding Section may be addressed to any European officer or soldier of the said forces, or to all constables, peace officers, and other persons who may be bound to execute the warrant of any Justice of the Peace, Magistrate, Joint Magistrate, or person lawfully exercising the powers of a Magistrate, and acting in the execution of this Act; and all such persons shall be bound to execute, perform, and obey such warrant.

NOTICE is hereby given, that on Thursday, the 10th January 1856, at the hour of Eleven o'Clock in the Forenoon, will be put up to Sale at the Exchange Rooms at Calcutta, and sold by Public Auction, for Exportation by Sea, the under-mentioned quantity of Opium, the Provision of 1854-55, subject to the following Conditions, *viz.*.—

Produce of Behar Agency, ...	Chests	2,440
Ditto of Benares Ditto,.....	„	1,020
Total, Chests		3,460

Conditions of Sale.

1*st.* The Opium will be sold for Exportation by Sea only, and no Certificate will be granted, except to cover such Export.

2*nd.* The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3*rd.* The Sale shall commence at the hour of 11 A. M and shall not be continued after the hour of 5 P. M, but if at that hour any of the Lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A M., and so on, until the whole of the remaining Lots are disposed of; or if the quantity of 3,460 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4*th.* Each Lot to contain Five Chests.

5*th* A deposit in a Promissory Note, either for 25 per cent. even money of the amount for which each Lot is knocked down, or for Rupees 1,000, at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the Lot is registered in the Sale Book; and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Tuesday, the 15th Jannary; or on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of Re-sale, as the Board of Revenue shall see fit; and all losses and expenses whatsoever attending such Re sale shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6*th.* The Promissory Notes taken on the day of Sale, under the last-mentioned Condition, if remaining unredeemed on the said 15th January, will be placed in the hands of the Attorney to the Hon'ble Company, for realization in such manner as to him shall seem fit.

7*th.* No tender of money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 15th January, will be afterwards accepted.

8*th* The Opium now advertized for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Friday, the 25th January 1856; and in case any Lots of such Opium shall not be so paid for and adjusted, then the Cash deposit of 25 per cent. even money of the amount for which each Lot is knocked down, or Rupees 1,000 for each Lot, or any Public Securities that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government, at such time, and in such manner, as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9*th.* Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of Lots of their purchase which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Or-

ders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single Lots, or of a different number of Lots or Chests, whether more or less than the number of Lots or Chests originally required to be included in each Certificate or Order.

10*th*. No Sub-Treasurer's Receipts or deposit of Public Securities, under the 5th of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The Receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11*th*. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time a deposit, either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per cent. even money of the amount so bid, or Rupees 1,000 for each Lot.

12*th*. With a view to prevent fictitious biddings, designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale shall be competent, at any time during the Sale, to withdraw any unsold Lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually, until a bid is obtained; and the first *bonâ fide* bidder for a Lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said Lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent Lots as he may think proper; provided always that no Lot shall be sold below the minimum price of Rupees 400 specified in the 2nd Clause of these Conditions.

13*th*. The purchaser of any Lot shall have the option of naming and purchasing, in immediate succession, any number of Lots of the same Agency Opium to the extent of Twenty-five Lots; and for the Lots so purchased, the purchaser shall deposit for each Lot 25 per cent. even money of the amount bid by him for the first Lot, or Rupees 1,000 for each Lot, and pay the same price per Chest as that for which he purchased his first Lot; provided always that there remain a sufficient number of Lots of that Opium to complete the said Twenty-five, but not otherwise.

14*th*. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15*th*. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1, Certificate of the Opium now advertized for Sale.

No. 2. Report of the Examination of such Opium.

16*th*. The Public are hereby informed, that in providing the investment of the Behar and Benares Opium, for the year 1854-55, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue; and further, that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17*th*. Any further information, respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the sale and delivery of the Opium for shipment.

18*th*. The Public are hereby informed, that in addition to the quantity above-mentioned, the following quantities,* more or less, of Behar and Benares Opium, will be brought to Sale in the year 1856 on or about the dates specified below; the Board, however, reserve to themselves the right of altering these dates, should circumstances render it expedient to do so:—

It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that out of the quantities of Behar and Benares Opium, declared as above for Sale at the twelve Sales in the months of January, February, March, April, May, June, July, August, September, October, November, and December 1856, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year within thirty days after the publication of this Advertizement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned, the entire quantity of about 41,508 Chests of Behar and Benares, as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose :—

Article of the Convention above referred to.

Article 6th. "With regard to the Trade in Opium, it is agreed between the high contracting parties, that at each of the periodical Sales of that Article, there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much on reduction of the Three hundred Chests hereinbefore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the *Government Gazette*."

ON FLOWERS AND FLOWER GARDENS,

BY D. L. RICHARDSON.

PRICE THREE RUPEES.

Published by Messrs. P. S. DeRozario & Co.

*** The book extends to 264 full-sized octavo pages.

The new book by D. L. R., which we have for some time past been anxiously looking for, is published, and will no doubt be as popular as the preceding works of this justly favorite author, whose writings are even more highly esteemed in England and America than in India.—*Bengal Hurkaru, September* 28, 1855.

He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward.—*Eastern Star, September* 29, 1855.

It is a valuable contribution to our Indian Literature.—*Calcutta Christian Advocate, October* 6

A Book of Gems, well worthy the Author's high reputation.—*Central Star, October* 13.

We cannot but recommend this volume to all who admire sprightly writing and elegantly selected poetry.—*Indian Times, October* 17.

Mr. Richardson—better known to the reading public as "D. L. R."—has a wide reputation as a careful and polished writer.—*Bombay Telegraph and Courier, October* 22.

A very pleasant book which we can cordially recommend to the attention of our readers—A delightful *melange* about flowers and flower gardens, floriculture in general, and the enjoyments of rural life.—*Bombay Times, October* 27, 1855.

His last work is well worthy of a post in any library where the *quality* and not *quantity* of books is considered. —*Phœnix, November* 13, 1855.

Legislative Council.

The 15th December 1855.

THE following Act, passed by the Legislative Council of India, received the assent of the Most Noble the Governor General on the 14th December 1855, and is hereby promulgated for general information:—

ACT No. XXXIV OF 1855.

An Act to explain and amend Act No. XXXIII of 1852.

Preamble.

WHEREAS doubts have arisen whether a Court to which application is made to enforce or execute a judgment under the provisions of Act No. XXXIII of 1852 has power to inquire into the validity of the judgment; and it is expedient to remove such doubts, and to prevent any such Court from inquiring into the validity of a judgment in respect of which it has no appellate jurisdiction, and to provide for a stay of execution when such Court thinks it reasonable that the validity of the judgment should be inquired into: It is enacted as follows:—

Court to which application to enforce a judgment of another Court is made, not to inquire into the validity of the judgment.

Proviso.

I. The Court to which application is made to enforce or execute a judgment under the provisions of Act No. XXXIII of 1852, shall not have power to inquire into the validity of such judgment, unless it appear, upon the face of such judgment, that the Court by which the judgment was given had no jurisdiction to pronounce the same.

Such Court may, in certain cases, stay execution of judgment.

II. The Court to which the application is made may, upon reasonable cause being shown, stay the execution of the judgment for a reasonable time, to enable the judgment-debtor to apply to the Court by which the judgment was given, or to any Court having appellate jurisdiction in respect of the judgment or execution thereof, for an order to stay the execution, or for any other order relating to the judgment or the execution thereof, which such Court of first instance or Court of Appeal might have made if execution had been issued by the Court of first instance, or if application for execution had been made to such Court; and in case the property or person of the judgment debtor shall have been seized under an execution, the Court which issued the execution may order restitution of the property, or the discharge of the person of the debtor, in the mean time.

Court may, in such cases, take security, &c. from judgment-debtor.

III. Before making an order to stay execution, or for the restitution of property, or the discharge of the judgment-debtor under this Act, the Court may require such security from, or impose such conditions upon, the judgment-debtor, as it may deem reasonable

Order of Court pronouncing judgment to be binding upon Court enforcing the same.

IV. Any order of the Court in which the judgment was given, or of such Court of Appeal as aforesaid, shall be binding upon the Court to which the application for execution was made, and shall be a sufficient indemnity for all persons acting in execution of process issued by such last-mentioned Court.

Defendant discharged under this Act liable to be re-taken in execution of the judgment.

V. No discharge of a defendant under the provisions of this Act shall prevent him from being re-taken in execution of the judgment.

Act to be taken as part of Act XXXIII of 1852.

VI. This Act shall be read with, and taken as part of, Act No. XXXIII of 1852.

W. MORGAN,
Clerk of the Council.

7th. No tender of money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 15th January, will be afterwards accepted.

8th. The Opium now advertized for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Friday, the 25th January 1856; and in case any Lots of such Opium shall not be so paid for and adjusted, then the Cash deposit of 25 per cent. even money of the amount for which each Lot is knocked down, or Rupees 1,000 for each Lot, or any Public Securities that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government, at such time, and in such manner, as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of Lots of their purchase which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single Lots, or of a different number of Lots or Chests, whether more or less than the number of Lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities, under the 5th of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The Receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11th. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time a deposit, either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per cent. even money of the amount so bid, or Rupees 1,000 for each Lot

12th. With a view to prevent fictitious biddings, designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale shall be competent, at any time during the Sale, to withdraw any unsold Lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually, until a bid is obtained; and the first *bonâ fide* bidder for a Lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said Lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent Lots as he may think proper, provided always that no Lot shall be sold below the minimum price of Rupees 400 specified in the 2nd Clause of these Conditions.

13th. The purchaser of any Lot shall have the option of naming and purchasing, in immediate succession, any number of Lots of the same Agency Opium to the extent of Twenty-five Lots; and for the Lots so purchased, the purchaser shall deposit for each Lot 25 per cent. even money of the amount bid by him for the first Lot, or Rupees 1,000 for each Lot, and pay the same price per Chest as that for which he purchased his first Lot; provided always that there remain a sufficient number of Lots of that Opium to complete the said Twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1, Certificate of the Opium now advertized for Sale.

No 2, Report of the Examination of such Opium.

16th The Public are hereby informed, that in providing the investment of the Behar and Benares Opium, for the year 1854-55, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue; and further, that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17th. Any further information, respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the sale and delivery of the Opium for shipment.

18th. The Public are hereby informed, that in addition to the quantity above-mentioned, the following quantities,* more or less, of Behar and Benares Opium, will be brought to Sale in the year 1856 on or about the

19*th*. It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that out of the quantities of Behar and Benares Opium, declared as above for Sale at the twelve Sales in the months of January, February, March, April, May, June, July, August, September, October, November, and December 1856, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year within thirty days after the publication of this Advertizement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned, the entire quantity of about 41,508 Chests of Behar and Benares, as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose :—

Article of the Convention above referred to.

Article 6th. "With regard to the Trade in Opium, it is agreed between the high contracting parties, that at each of the periodical Sales of that Article, there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much on reduction of the Three hundred Chests hereinbefore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the *Government Gazette.*"

Lights on Flat Island and on the Coast of Mauritius.

LIGHT-HOUSES.

HIS Excellency the Governor directs it to be notified for general information, that the following Lights will be exhibited on Flat Island and on the Coast of Mauritius, on and from the 1st December next, *viz.*:—

A first class *revolving* Catoptric Light on Flat Island.

A first class *fixed* Catoptric Light on Cannonier Point.

A *red* Mast Light on the left bank, and at the mouth of Grand River.

A *green* Mast Light on Cooper's Island, at the mouth of the Harbour.

Detailed descriptions of, and sailing directions for these Lights are published below for general information.

J. DOWLAND,
Acting Colonial Secretary.

Colonial Secretary's Office, 7th September 1855.

Sailing Directions for making the Anchorage off the Harbour of Port Louis, Mauritius, with reference to the Light-houses recently erected upon "Flat Island" and "Cannonier Point," and also the two Mast Lights near the entrance of the Harbour.

DESCRIPTION OF THE LIGHTS.

"Flat Island."

This is a *revolving* Catoptric Light of the first order, situated at the South West or highest extremity of the Island, in Latitude S. 19° 53′ 26″, and Longitude E. 57° 38′ 8″, determined by Triangulation from the Observatory of Port Louis. Variation of the Compass 11° 47′ 13″ West.

Its elevation above the mean level of the sea (the rise of tide being only about 3 feet) is 366 feet, and it will be visible in clear weather from the deck of a vessel 13 feet above the water, a distance of about 25 Nautical Miles.

"Cannonier Point."

This is a *fixed* Catoptric Light, also of the first order.

It is situated in Latitude S. 20° 0′ 35″ and Longitude E. 57° 22′ 39″. Its elevation above the mean level of the sea is 39 feet 6 inches, and it will be seen from the deck of a vessel 13 feet above the water, a distance of about 10 Nautical Miles.

The objects of this Light are, to indicate the position of a dangerous shoal, nearly 1¾ miles from the shore, and to keep vessels clear of the coral reefs to the North-East and South-West of the Point.

"Harbour Mast Lights."

One of these is placed as a leading Light (Red) at the Martello Tower at the mouth, and on the left bank of the Grand River; and the other (Green) at Fort George, on Tonnelier Island.

GENERAL DIRECTIONS.

Vessels making the land from the Eastward (Windward) side of the Island should give a berth of 2½ Miles to the reefs off Amber Island and be careful not to approach the Light on Flat Island on a course to the Westward of N. W. by N. ½ N., until Gunner's Quoin bears *West*, when they may shape a mid-channel course between Gunner's Quoin and Flat Island.

When to the Westward of the Quoin the Light at Cannonier Point will become visible and must be approached with the Flat Island Light, bearing astern E. N. E. ½ N., until abreast of Cannonier Point, when that Light will bear S., E. by S. a berth of rather more than 2 Nautical Miles being thus given to the dangerous reef and shoal off the Point.—They may then haul up to S. W. by S. for the anchorage distant about 10 Nautical Miles, taking care to keep the Cannonier Point Light *white* for a distance of 6¾ Miles, when the Flat Island and Cannonier Point Lights will appear in one—the change of this color to red within that distance will indicate a too near approach to the end.

The *red* Light at the mouth of the Grand River will now be opened bearing S. S. W., for which vessels may safely steer until the Mast Light (Green) upon Fort George on Tonnelier Island bears S. E. ½ S., when they may immediately let go the anchor, being on the best ground—a nearer approach to the Light at Grand River would bring them too close to the reefs.

If the night is clear, the "Corps de Garde" Mountain will be clearly seen in line with the Grand River Light.

It is, however, generally advisable for vessels passing Cannonier Point at night, to lay to, keeping sail occasionally upon the ship, for the purpose of maintaining a good position for making the anchorage at day-break, in preference to attempting it at night, by which, in a very few instances, any time will be gained. Considerable risk, as well as the necessity for anchoring outside at all, will also be thus avoided.

Surveyor General.

*** The book extends to 264 full-sized octavo pages.

The new book by D. L. R., which we have for some time past been anxiously looking for, is published, and will no doubt be as popular as the preceding works of this justly favorite author, whose writings are even more highly esteemed in England and America than in India.—*Bengal Hurkaru, September* 28, 1855.

He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward.—*Eastern Star, September* 20, 1855.

It is a valuable contribution to our Indian Literature.—*Calcutta Christian Advocate, October* 6.

A Book of Gems, well worthy the Author's high reputation.—*Central Star, October* 13.

We cannot but recommend this volume to all who admire sprightly writing and elegantly selected poetry.—*Indian Times, October* 17.

Mr. Richardson—better known to the reading public as "D. L. R."—has a wide reputation as a careful and polished writer.—*Bombay Telegraph and Courier, October* 22.

A very pleasant book which we can cordially recommend to the attention of our readers—A delightful *melange* about flowers and flower gardens, floriculture in general, and the enjoyments of rural life.—*Bombay Times, October* 27, 1855.

His last work is well worthy of a post in any library where the *quality* and not *quantity* of books is considered.—*Phœnix, November* 13, 1855.

THE following Act, passed by the Legislative Council of India, received the assent of the Most Noble the Governor General on the 14th December 1855, and is hereby promulgated for general information:—

ACT No. XXXIV OF 1855.

An Act to explain and amend Act No. XXXIII of 1852.

Preamble.

WHEREAS doubts have arisen whether a Court to which application is made to enforce or execute a judgment under the provisions of Act No. XXXIII of 1852 has power to inquire into the validity of the judgment; and it is expedient to remove such doubts, and to prevent any such Court from inquiring into the validity of a judgment in respect of which it has no appellate jurisdiction, and to provide for a stay of execution when such Court thinks it reasonable that the validity of the judgment should be inquired into: It is enacted as follows:—

Court to which application to enforce a judgment of another Court is made, not to inquire into the validity of the judgment.

I. The Court to which application is made to enforce or execute a judgment under the provisions of Act No. XXXIII of 1852, shall not have power to inquire into the validity of such judgment, unless it appear, upon the face of such judgment, that the Court by which the judgment was given had no jurisdiction to pronounce the same.

Proviso.

Such Court may, in certain cases, stay execution of judgment.

II. The Court to which the application is made may, upon reasonable cause being shown, stay the execution of the judgment for a reasonable time, to enable the judgment-debtor to apply to the Court by which the judgment was given, or to any Court having appellate jurisdiction in respect of the judgment or execution thereof, for an order to stay the execution, or for any other order relating to the judgment or the execution thereof, which such Court of first instance or Court of Appeal might have made if execution had been issued by the Court of first instance, or if application for execution had been made to such Court; and in case the property or person of the judgment debtor shall have been seized under an execution, the Court which issued the execution may order restitution of the property, or the discharge of the person of the debtor, in the mean time.

Court may, in such cases, take security, &c. from judgment-debtor.

III. Before making an order to stay execution, or for the restitution of property, or the discharge of the judgment-debtor under this Act, the Court may require such security from, or impose such conditions upon, the judgment-debtor, as it may deem reasonable.

Order of Court pronouncing judgment to be binding upon Court enforcing the same.

IV. Any order of the Court in which the judgment was given, or of such Court of Appeal as aforesaid, shall be binding upon the Court to which the application for execution was made, and shall be a sufficient indemnity for all persons acting in execution of process issued by such last-mentioned Court.

Defendant discharged under this Act liable to be re-taken in execution of the judgment.

V. No discharge of a defendant under the provisions of this Act shall prevent him from being re-taken in execution of the judgment.

Act to be taken as part of Act XXXIII of 1852.

VI. This Act shall be read with, and taken as part of, Act No. XXXIII of 1852.

NOTICE is hereby given, that on Thursday, the 10th January 1856, at the hour of Eleven o'Clock in the Forenoon, will be put up to Sale at the Exchange Rooms at Calcutta, and sold by Public Auction, for Exportation by Sea, the under-mentioned quantity of Opium, the Provision of 1854-55, subject to the following Conditions, *viz.* :—

Produce of Behar Agency, ...Chests	2,440
Ditto of Benares Ditto,..... „	1,020
Total, Chests	3,460

Conditions of Sale.

1*st* The Opium will be sold for Exportation by Sea only, and no Certificate will be granted, except to cover such Export.

2*nd.* The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3*rd.* The Sale shall commence at the hour of 11 A. M. and shall not be continued after the hour of 5 P. M., but if at that hour any of the Lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining Lots are disposed of ; or if the quantity of 3,460 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4*th.* Each Lot to contain Five Chests.

5*th* A deposit in a Promissory Note, either for 2½ per cent. even money of the amount for which each Lot is knocked down, or for Rupees 1,000, at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the Lot is registered in the Sale Book ; and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Tuesday, the 15th January ; or on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts. or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of Re-sale, as the Board of Revenue shall see fit ; and all losses and expenses whatsoever attending such Re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6*th.* The Promissory Notes taken on the day of Sale, under the last-mentioned Condition, if remaining unredeemed on the said 15th January, will be placed in the hands of the Attorney to the Hon'ble Company, for realization in such manner as to him shall seem fit.

7*th*. No tender of money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 15th January, will be afterwards accepted.

8*th*. The Opium now advertized for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Friday, the 25th January 1856; and in case any Lots of such Opium shall not be so paid for and adjusted, then the Cash deposit of 25 per cent. even money of the amount for which each Lot is knocked down, or Rupees 1,000 for each Lot, or any Public Securities that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government, at such time, and in such manner, as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9*th*. Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of Lots of their purchase which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single Lots, or of a different number of Lots or Chests, whether more or less than the number of Lots or Chests originally required to be included in each Certificate or Order.

10*th*. No Sub-Treasurer's Receipts or deposit of Public Securities, under the 5th of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The Receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11*th*. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time a deposit, either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per cent. even money of the amount so bid, or Rupees 1,000 for each Lot

12*th*. With a view to prevent fictitious biddings, designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale shall be competent, at any time during the Sale, to withdraw any unsold Lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually, until a bid is obtained; and the first *bonâ fide* bidder for a Lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said Lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent Lots as he may think proper; provided always that no Lot shall be sold below the minimum price of Rupees 400 specified in the 2nd Clause of these Conditions.

13*th*. The purchaser of any Lot shall have the option of naming and purchasing, in immediate succession, any number of Lots of the same Agency Opium to the extent of Twenty-five Lots; and for the Lots so purchased, the purchaser shall deposit for each Lot 25 per cent. even money of the amount bid by him for the first Lot, or Rupees 1,000 for each Lot, and pay the same price per Chest as that for which he purchased his first Lot; provided always that there remain a sufficient number of Lots of that Opium to complete the said Twenty-five, but not otherwise.

14*th*. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15*th*. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the Examination of such Opium.

16*th*. The Public are hereby informed, that in providing the investment of the Behar and Benares Opium, for the year 1854-55, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue; and further, that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17*th*. Any further information, respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the sale and delivery of the Opium for shipment.

18*th*. The Public are hereby informed, that in addition to the quantity above-mentioned, the following quantities,* more or less, of Behar and Benares Opium, will be brought to Sale in the year 1856 on or about the

19*th*. It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that out of the quantities of Behar and Benares Opium, declared as above for Sale at the twelve Sales in the months of January, February, March, April, May, June, July, August, September, October, November, and December 1856, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year within thirty days after the publication of this Advertizement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned, the entire quantity of about 41,508 Chests of Behar and Benares, as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose:—

Article 6th. "With regard to the Trade in Opium, it is agreed between the high contracting parties, that at each of the periodical Sales of that Article, there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much on reduction of the Three hundred Chests hereinbefore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the *Government Gazette.*"

Notice.

THE following Rules which, under the orders of the Government of India, have been issued for the guidance of the Officers of the Post Office, are published for general information :—

1*st.* Letters arriving at the Presidency Towns by Mail Steamers will be immediately sorted for delivery according to the address alone, without any reference to instructions which may have been received regarding change of address. Such changes will be left to be discovered by the Delivery Officers, and be corrected in the Forward and Unclaimed Departments of the Office.

2*nd.* A separate instruction will be required for every change of address, and no instruction will be attended to for more than three months after its receipt.

3*rd.* Under Section XXIII. of Act XVII. of 1854, Forward Postage will be charged in addition to all other postage due or paid thereon, upon every letter, without exception, which may be re-directed in any Post Office. For example, if a letter posted in Calcutta and addressed to Hooghly is, under instructions which may have been received from the addressee, re-directed in the Calcutta Post Office and sent to Barrackpore, Forward Postage will be charged in addition to the Postage which would have been due, had the letter been despatched to Hooghly according to its original address.

4*th.* The practice of giving instructions to the Officers of the Post Office to intercept and re-direct letters, not only imposes much labor upon them, but in large Offices seriously retards the delivery and despatch of the Mails. A register of instructions regarding changes of address will be kept in every Post Office, but it must be understood, that it is impossible to guarantee that they shall be attended to, except in the case of letters received for delivery.

Legislative Council.

The 22nd December 1855.

THE following Act, passed by the Legislative Council, received the assent of the Most Noble the Governor General on the 21st December 1855, and is hereby promulgated for general information:—

ACT No. XXXVI OF 1855.

An Act to empower Officers of Customs and Land Revenue to search Houses and other enclosed places for contraband Salt in the North-Western Provinces.

Preamble.

WHEREAS the existing laws do not empower Officers of Customs or Land Revenue in the North-Western Provinces of the Presidency of Bengal to search houses and other enclosed places for Salt manufactured or stored contrary to the provisions of Act XIV of 1843, and it is expedient to give them power to do so: It is enacted as follows:—

Particulars to be recorded by officer on receipt of information as to unlawful manufacture of Salt, &c.

I. Whenever any Collector or other Officer of Customs or Land Revenue, not being under the grade of Assistant Patrol in the Customs department, or of Naib Tehseeldar in the Revenue department, receives credible information that, within his jurisdiction, Salt is unlawfully manufactured, in any dwelling-house, ware house, or other enclosed place, or that Salt is unlawfully stored in any such house or place within the limits of Customs jurisdiction as defined by the Government of the North-Western Provinces of the Presidency of Bengal under the provision of Section III of Act XIV of 1843, he shall first record in writing the name, residence, and calling of the informant, the locality and description of the house or place where he believes the Salt to be manufactured or stored, and the name of the owner or occupant of such house or place, or the name of the person for or by whom such Salt is manufactured or stored, and, with respect to Salt stored, the supposed quantity and description of such Salt, with the grounds for believing the same to be contraband.

Officer thereupon may summon Police and proceed to search a house for contraband Salt.

II. The said Officer, after recording the particulars aforesaid, may summon from the nearest Police Station a Police Officer, not being under the grade of a Jemadar, to attend him, and with such Police Officer and informant proceed to the said house or place, and in their presence search the same for Salt unlawfully manufactured or stored; provided that such search be not made between sunset and sunrise.

Proviso.

Officer may break open doors.

III. The said Officer, in company with such Police Officer, may break open the door or force an entry within the said house or place, if, upon requisition duly made, the door be not opened, or admission be refused, by the owner or occupant thereof.

Rules regarding forcible entry.

IV. A forcible entry under the last preceding Section shall only be made in accordance with the rules and precautions prescribed by Regulation XX of 1817, and by Section X Regulation V of 1800 (for the Benares Province,) and Section XIX Regulation XXVIII of 1803 (for the Ceded and Conquered Provinces), for breaking into a house for execution of process of distraint.

Proviso.

Provided, however, that the responsibility for the act, and the determination whether to force an entry or not, shall rest with the Officer of Customs or Land Revenue only.

What to be deemed contraband salt.

V. No Salt found stored in any house or place within the limits of Customs jurisdiction mentioned in Section I of this Act, not being Salt unlawfully manufactured thereat, shall be

deemed contraband, unless the quantity found shall exceed five seers in weight.

Penalty if Police Officer refuses or neglects to attend or aid in search or seizure.

VI. Whoever, being a Police Officer summoned under Section II, fails to attend himself or to depute a subordinate Police Officer, not being below the grade of a Jemadar, to attend, and any Police Officer who, after attending, refuses to aid in the search for, or seizure of, contraband Salt, or in any way wilfully frustrates the object of the search or seizure, shall, on conviction before a Magistrate, be liable, besides being dismissed from office, to a fine equal to the amount of fine that would have been leviable on the owners or holders of the Salt if it had been seized according to the information laid.

Penalty for vexatious search and for giving false information.

VII. Any Officer of Customs or Land Revenue, vested with power to carry into effect the provisions of this Act, who, under cover thereof, searches or causes to be searched any dwelling-house, ware-house, or other enclosed place without reasonable grounds of suspicion that contraband Salt is there manufactured or stored, shall, upon conviction before the Magistrate within whose jurisdiction the offence may have been committed, be punished with fine not exceeding five hundred rupees, which fine, or any portion thereof, may be paid over to the party aggrieved, and, in default of payment of such fine, with imprisonment for a period not exceeding six months; and any person wilfully and maliciously giving false information, and so causing a search to be made in any dwelling-house, ware-house, or other enclosed place, to the injury or vexation of the owners, occupants, or any other person or persons whatsoever, shall, on conviction before a Magistrate, be liable to the same penalty and also to imprisonment for a period not exceeding two years, with or without hard labor.

Every case of search to be reported to superior Officers.

VIII. Every search under this Act, whether the result thereof be the seizure of contraband Salt or otherwise, shall be reported within forty-eight hours by the Officer of Customs or Land Revenue and by the Officer of Police present at the search, to their respective official superiors.

What to be deemed a manufacture of Salt.

IX. The purification or refinement of impure Salt, obtained in the manufacture of Saltpetre, so as to produce alimentary Salt, shall be deemed a manufacture of Salt within the meaning of this Act and of Act XIV. 1843.

NOTICE is hereby given, that on Thursday, the 10th January 1856, at the hour of Eleven o'Clock in the Forenoon, will be put up to Sale at the Exchange Rooms at Calcutta, and sold by Public Auction, for Exportation by Sea, the under-mentioned quantity of Opium, the Provision of 1854-55, subject to the following Conditions, *viz.*:—

Produce of Behar Agency, ...Chests	2,440
Ditto of Benares Ditto,..... „	1,020
Total, Chests	3,460

Conditions of Sale.

1*st.* The Opium will be sold for Exportation by Sea only, and no Certificate will be granted, except to cover such Export.

2*nd.* The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3*rd.* The Sale shall commence at the hour of 11 A. M. and shall not be continued after the hour of 5 P. M., but if at that hour any of the Lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining Lots are disposed of; or if the quantity of 3,460 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4*th.* Each Lot to contain Five Chests.

5*th.* A deposit in a Promissory Note, either for 25 per cent. even money of the amount for which each Lot is knocked down, or for Rupees 1,000, at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the Lot is registered in the Sale Book; and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Tuesday, the 15th Jannary; or on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of Re-sale, as the Board of Revenue shall see fit; and all losses and expenses whatsoever attending such Re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6*th.* The Promissory Notes taken on the day of Sale, under the last-mentioned Condition, if remaining unredeemed on the said 15th January, will be placed in the hands of the Attorney to the Hon'ble Company, for realization in such manner as to him shall seem fit.

7*th*. No tender of money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 15th January, will be afterwards accepted.

8*th*. The Opium now advertized for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Friday, the 25th January 1856; and in case any Lots of such Opium shall not be so paid for and adjusted, then the Cash deposit of 25 per cent. even money of the amount for which each Lot is knocked down, or Rupees 1,000 for each Lot, or any Public Securities that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government, at such time, and in such manner, as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9*th*. Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of Lots of their purchase which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single Lots, or of a different number of Lots or Chests, whether more or less than the number of Lots or Chests originally required to be included in each Certificate or Order.

10*th*. No Sub-Treasurer's Receipts or deposit of Public Securities, under the 5th of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The Receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11*th*. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time a deposit, either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per cent. even money of the amount so bid, or Rupees 1,000 for each Lot.

12*th*. With a view to prevent fictitious biddings, designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale shall be competent, at any time during the Sale, to withdraw any unsold Lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually, until a bid is obtained; and the first *bonâ fide* bidder for a Lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said Lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent Lots as he may think proper; provided always that no Lot shall be sold below the minimum price of Rupees 400 specified in the 2nd Clause of these Conditions.

13*th*. The purchaser of any Lot shall have the option of naming and purchasing, in immediate succession, any number of Lots of the same Agency Opium to the extent of Twenty-five Lots; and for the Lots so purchased, the purchaser shall deposit for each Lot 25 per cent. even money of the amount bid by him for the first Lot, or Rupees 1,000 for each Lot, and pay the same price per Chest as that for which he purchased his first Lot; provided always that there remain a sufficient number of Lots of that Opium to complete the said Twenty-five, but not otherwise.

14*th*. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15*th*. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the Examination of such Opium.

16*th*. The Public are hereby informed, that in providing the investment of the Behar and Benares Opium, for the year 1854-55, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue; and further, that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17*th*. Any further information, respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the sale and delivery of the Opium for shipment.

18*th*. The Public are hereby informed, that in addition to the quantity above-mentioned, the following quantities,* more or less, of Behar and Benares Opium, will be brought to Sale in the year 1856 on or about the

It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that out of the quantities of Behar and Benares Opium, declared as above for Sale at the twelve Sales in the months of January, February, March, April, May, June, July, August, September, October, November, and December 1856, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year within thirty days after the publication of this Advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned, the entire quantity of about 41,508 Chests of Behar and Benares, as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose :—

Article of the Convention above referred to.

Article 6th. "With regard to the Trade in Opium, it is agreed between the high contracting parties, that at each of the periodical Sales of that Article, there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much on reduction of the Three hundred Chests hereinbefore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the *Government Gazette.*"

Lights on Flat Island and on the Coast of Mauritius.

LIGHT-HOUSES.

HIS Excellency the Governor directs it to be notified for general information, that the following Lights will be exhibited on Flat Island and on the Coast of Mauritius, on and from the 1st December next, *viz.* :—

A first class *revolving* Catoptric Light on Flat Island.

A first class *fixed* Catoptric Light on Cannonier Point.

A *red* Mast Light on the left bank, and at the mouth of Grand River.

A *green* Mast Light on Cooper's Island, at the mouth of the Harbour.

Detailed descriptions of, and sailing directions for these Lights are published below for general information.

J. DOWLAND,
Acting Colonial Secretary

Colonial Secretary's Office, 7th September 1855.

Sailing Directions for making the Anchorage off the Harbour of Port Louis, Mauritius, with reference to the Light-houses recently erected upon "Flat Island" and "Cannonier Point," and also the two Mast Lights near the entrance of the Harbour.

DESCRIPTION OF THE LIGHTS.

"FLAT ISLAND."

This is a *revolving* Catoptric Light of the first order, situated at the South West or highest extremity of the Island, in Latitude S. 19° 53′ 26″, and Longitude E. 57° 38′ 8″, determined by Triangulation from the Observatory of Port Louis. Variation of the Compass 11° 47′ 13″ West

Its elevation above the mean level of the sea (the rise of tide being only about 3 feet) is 366 feet, and it will be visible in clear weather from the deck of a vessel 13 feet above the water, a distance of about 25 Nautical Miles.

"CANNONIER POINT."

This is a *fixed* Catoptric Light, also of the first order.

It is situated in Latitude S. 20° 0′ 35″ and Longitude E. 57° 22′ 39″. Its elevation above the mean level of the sea is 39 feet 6 inches, and it will be seen from the deck of a vessel 13 feet above the water, a distance of about 10 Nautical Miles.

The objects of this Light are, to indicate the position of a dangerous shoal, nearly 1½ miles from the shore, and to keep vessels clear of the coral reefs to the North-East and South-West of the Point.

"HARBOUR MAST LIGHTS"

One of these is placed as a leading Light (Red) at the Martello Tower at the mouth, and on the left bank of the Grand River; and the other (Green) at Fort George, on Tonnelier Island.

GENERAL DIRECTIONS.

Vessels making the land from the Eastward (Windward) side of the Island should give a berth of 2½ Miles to the reefs off Amber Island and be

careful not to approach the Light on Flat Island on a course to the Westward of N. W. by N. ½ N., until Gunner's Quoin bears *West*, when they may shape a mid-channel course between Gunner's Quoin and Flat Island.

When to the Westward of the Quoin the Light at Cannonier Point will become visible and must be approached with the Flat Island Light, bearing astern E. N. E. ½ N., until abreast of Cannonier Point, when that Light will bear S., E by S. a berth of rather more than 2 Nautical Miles being thus given to the dangerous reef and shoal off the Point.—They may then haul up to S. W. by S. for the anchorage distant about 10 Nautical Miles, taking care to keep the Cannonier Point Light *white* for a distance of 6¾ Miles, when the Flat Island and Cannonier Point Lights will appear in one—the change of this color to red within that distance will indicate a too near approach to the end.

The *red* Light at the mouth of the Grand River will now be opened bearing S. S. W., for which vessels may safely steer until the Mast Light (Green) upon Fort George on Tonnelier Island bears S. E. ½ S., when they may immediately let go the anchor, being on the best ground—a nearer approach to the Light at Grand River would bring them too close to the reefs.

If the night is clear, the "Corps de Garde" Mountain will be clearly seen in line with the Grand River Light.

It is, however, generally advisable for vessels passing Cannonier Point at night, to lay to, keeping sail occasionally upon the ship, for the purpose of maintaining a good position for making the anchorage at day-break, in preference to attempting it at night, by which, in a very few instances, any time will be gained. Considerable risk, as well as the necessity for anchoring outside at all, will also be thus avoided.

BY D. L. RICHARDSON.

PRICE THREE RUPEES.

Published by Messrs. P. S. DeRozario & Co.

*** The book extends to 204 full-sized octavo pages.

The new book by D. L. R., which we have for some time past been anxiously looking for, is published, and will no doubt be as popular as the preceding works of this justly favorite author, whose writings are even more highly esteemed in England and America than in India.—*Bengal Hurkaru, September* 28, 1855.

He is well known in the literary circles of England as one of the purest English writers of the day. To say that the work before us is among the happiest productions of his pen, is to say more for it than the highest eulogy can express. It has been long expected, but public patience has received an ample reward.—*Eastern Star, September* 29, 1855.

It is a valuable contribution to our Indian Literature.—*Calcutta Christian Advocate, October* 6.

A Book of Gems, well worthy the Author's high reputation.—*Central Star, October* 13.

We cannot but recommend this volume to all who admire sprightly writing and elegantly selected poetry.—*Indian Times, October* 17.

Mr. Richardson—better known to the reading public as "D. L. R."—has a wide reputation as a careful and polished writer.—*Bombay Telegraph and Courier, October* 22.

A very pleasant book which we can cordially recommend to the attention of our readers—A delightful *melange* about flowers and flower gardens, floriculture in general, and the enjoyments of rural life.—*Bombay Times, October* 27, 1855.

His last work is well worthy of a post in any library where the *quality* and not *quantity* of books is considered. —*Phœnix, November* 13, 1855.

Notice.

THE following Rules which, under the orders of the Government of India, have been issued for the guidance of the Officers of the Post Office, are published for general information :—

1*st.* Letters arriving at the Presidency Towns by Mail Steamers will be immediately sorted for delivery according to the address alone, without any reference to instructions which may have been received regarding change of address. Such changes will be left to be discovered by the Delivery Officers, and be corrected in the Forward and Unclaimed Departments of the Office.

2*nd.* A separate instruction will be required for every change of address, and no instruction will be attended to for more than three months after its receipt.

3*rd.* Under Section XXIII. of Act XVII. of 1854, Forward Postage will be charged in addition to all other postage due or paid thereon, upon every letter, without exception, which may be re-directed in any Post Office. For example, if a letter posted in Calcutta and addressed to Hooghly is, under instructions which may have been received from the addressee, re-directed in the Calcutta Post Office and sent to Barrackpore, Forward Postage will be charged in addition to the Postage which would have been due, had the letter been despatched to Hooghly according to its original address.

4*th.* The practice of giving instructions to the Officers of the Post Office to intercept and re-direct letters, not only imposes much labor upon them, but in large Offices seriously retards the delivery and despatch of the Mails. A register of instructions regarding changes of address will be kept in every Post Office, but it must be understood, that it is impossible to guarantee that they shall be attended to, except in the case of letters received for delivery.

Director General of the Post Office in India.
